## KEY TRANSIT FACTORS

### ☉ Sun ☾ Semi sextile ☿ natal Mercury

These days you find it easier to **explain your thoughts clearly** without overthinking what you say. People seem to understand your point the first time, and conversations flow naturally because you're not second-guessing yourself. This relaxed confidence with words can help you tackle small communication tasks at work or smooth over minor misunderstandings in your personal life while it lasts.

### ☉ Sun ☿ Opposition ♇ natal Pluto

Right now you're running into **people and situations that won't bend to your will**, and it's bringing up real frustration. You may find yourself pushing harder to get control over something, only to hit resistance that makes you feel powerless. These days, this friction is actually showing you where you've been relying too much on force instead of listening to what's actually happening around you.

### ♁ NNode ♌ Trine ☉ natal Sun

Right now you find it easier to **say what you actually want** instead of staying quiet or going along with others. People around you respond well to your directness because it comes across as honest rather than aggressive. Over the coming weeks, you might notice doors opening simply because you stopped hiding what matters to you.

### ♆ Neptune ☐ Square ♄ natal Saturn

Right now you are caught between wanting to relax your standards and needing to stick to them, which leaves you feeling unsettled about practical decisions. You might find yourself **avoiding commitment or clarity** on important matters because the effort feels pointless, or you second-guess rules and boundaries you normally trust. Over the coming weeks, this friction between *Neptune's* pull toward looseness and *Saturn's* demand for structure can make you feel like you are either too rigid or too adrift in your own life.

### ♂ Mars ☿ Opposition ☾ natal Moon

Right now you're more **irritable and quick to react** than usual, especially when someone upsets your plans or questions your feelings. Your emotional responses feel stronger and harder to control, which can create unnecessary conflict with people close to you. These days you need to notice this pattern and step back before you speak, because your impulse to push back or argue is working against you.

### ♂ Mars Rx · ♎ Libra

Asserting your needs in relationships feels harder than usual right now, and unresolved conflicts tend to resurface. Avoiding direct confrontation can build passive tension that eventually requires release. Honest conversations about what is and is not working in close partnerships are more useful now than they feel.

› Moon \* Sextile ♃ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

› Moon ☌ Opposition ♂ Mars

Right now your **irritability is running high** and small annoyances feel like major problems. People around you seem to trigger you faster than usual, and you may snap at them or pick fights without meaning to. These days the gap between what you feel and what you're actually able to do creates real frustration, so patience is thin on the ground for everyone.

› Moon \* Sextile ♃ Jupiter

Right now you find it easier to talk about what you actually need and have people listen without defensiveness. Your **emotional honesty feels safer**, and others respond by being more generous and accepting in return. This creates a practical benefit: conversations that might normally stall or get complicated tend to move forward into real understanding.

LUNAR DAY

Moon in ♈ Aries · Day 4 / 30 · New Moon

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
