KEY DATE

☿ Mercury stations Direct

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

KEY TRANSIT FACTORS

♆ Neptune ☌ Conjunction ☉ natal Sun

You are less certain about who you are right now, and that shows in how you present yourself to others. Your usual sense of direction feels fuzzy, and you might find yourself **blending in with whatever group you're around rather than standing out**. Over the coming weeks, people may see you as more flexible or dreamy than usual, and you may struggle to remember what you actually want separate from what others want.

♁ Chiron ☌ Conjunction ♄ natal Saturn

Over the coming weeks, you become more aware of the **limits you've accepted without questioning them**. You notice old rules and boundaries that once felt necessary but now feel outdated or overly rigid. This period invites you to examine what you've built your stability on and whether those foundations still serve you.

☾ Moon * Sextile ♇ natal Pluto

Right now you find it easier to talk about things that usually feel too difficult or personal. Your **willingness to be honest** about what you actually feel creates real connection with the people around you. Over the coming weeks, this openness helps you work through old emotional patterns without getting stuck in them.

♄ Saturn ☐ Square ♁ natal Chiron

Right now you are **more aware of your own limitations and past hurts**, which makes it harder to brush them off or move past them quickly. You may feel blocked when trying to help others or do work that normally feels meaningful, because old doubts about your capability are surfacing. Over the coming weeks, facing these uncomfortable feelings directly, rather than avoiding them, is what will actually move you forward.

☿ Mercury ☐ Square ☉ natal Sun

Right now you're likely to **second-guess your own opinions** and struggle to communicate what you actually think. People may misunderstand your words or you may find yourself contradicting yourself mid-conversation, which creates friction with others. Over the coming weeks, you'll need to slow down before speaking and accept that getting your point across will take more effort than usual.

☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

LUNAR DAY

Moon in ♊ Gemini · Day 3 / 30 · New Moon

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.
