## KEY TRANSIT FACTORS

### ☿ Mercury ☿ Quincunx ♇ natal Pluto ★

Right now your mind is picking up on uncomfortable truths that you normally ignore, and you feel compelled to talk about them even though it makes conversations awkward. You may notice **your words come across more bluntly than usual**, especially about other people's behaviour or secrets, which can create friction in relationships. Over these coming weeks, you'll do better if you pause before speaking and ask yourself whether what you're about to say actually needs to be said right now.

### ♇ Pluto ★ Sextile ♆ natal Neptune ★

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

### ☿ Mercury ☿ Quincunx ♆ natal Neptune

While this lasts, your thinking becomes **less direct and harder to pin down** — you might start a sentence knowing what you want to say, then lose track halfway through. Your mind is picking up on details and hunches that don't fit neatly into words, which makes explaining yourself to others feel awkward right now. Over the coming weeks, stick to practical lists and written notes rather than relying on real-time conversation.

### ☾ Moon ★ Sextile ♀ natal Venus

While this lasts, you find it easier to express affection and say what you actually appreciate about people in your life. Your **warmth comes across naturally**, and others respond well to you without you having to try hard. These days are good ones to reach out to someone you care about or do something kind that you have been putting off.

### ♀ Venus ☐ Square ♆ natal Neptune

Right now you are **mixing fantasy with reality in relationships**, making promises you cannot keep or imagining closeness that does not actually exist. You may spend money on things or people that feel meaningful in the moment but leave you feeling foolish afterward. Over the coming weeks, your disappointment comes from expecting others to match an ideal version of them that lives only in your head.

### ♄ Saturn Rx • ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

### ☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

### ☉ Sun ☿ Quincunx ♄ Saturn

Right now you feel a mismatch between what you want to do and what seems practical or allowed. You might push forward with a plan only to run into a real obstacle that makes you reconsider, or hold back when you actually have a real opportunity. **This awkward timing between your drive and your responsibilities** means you cannot simply act on instinct—you need to adjust, compromise, or wait for better conditions.

### ☉ Sun ☿ Conjunction ♅ Uranus

At the moment, you feel **restless and impatient with routines that normally work fine**. You might suddenly want to change something about how you look, where you work, or how you spend your time, even if there's no real problem. This push to break free or do something different is normal right now, so notice what you actually want to change versus what's just nervous energy looking for an outlet.
