KEY TRANSIT FACTORS

♂ Mars ☌ Conjunction ♀ natal Venus ★

While this lasts, you feel a **stronger pull toward people and activities that excite you** — you're more direct about what you want and less willing to wait around. Your physical attraction to others sharpens, and you're quicker to pursue relationships or make moves in your social life. Over the coming weeks, watch whether this directness helps you connect or whether you're pushing too hard before you know what you actually want.

♂ Mars △ Trine ♁ natal Uranus ★

Right now you're willing to take risks in practical ways that normally feel too uncomfortable, and it's working out. You act on unconventional ideas quickly without overthinking them, and this **decisive independence** is getting real results. Over the coming weeks, trust that your instinct to break routine and try something different is actually reliable, not reckless.

♂ Mars * Sextile ♁ natal Chiron ★

Over the coming weeks, you find it easier to **talk directly about past hurts without getting defensive**. You have more patience for difficult conversations and can explain what went wrong without blaming yourself or others. This is a good time to address old wounds with people you care about because your words land differently right now.

♁ Chiron ∟ Semi sextile ♁ natal Chiron

You find yourself more willing to talk about things that normally feel difficult or private, and people respond better than you expected. This period brings a quieter kind of confidence where you stop pretending everything is fine and actually **admit what you struggle with**. Small conversations about real problems start to shift how you feel about yourself and what you thought you had to hide.

♁ NNode ∟ Semi sextile ♁ natal NNode

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

☾ Moon qx Quincunx ♆ Neptune

These days your emotional reactions don't match what's actually happening around you, and it takes effort to figure out why. You might feel **vaguely unsettled or pulled in different directions without a clear reason**, making it hard to trust your own feelings. This mismatch between your gut and reality tends to fade once you slow down and check the facts instead of following your first impression.

☾ Moon ☐ Square ♇ Pluto

Right now your emotional reactions feel disproportionate to what is actually happening around you. You are more likely to **fixate on worst-case scenarios** and push people away when you feel threatened, even if the threat is imagined. These days the psychological pressure builds internally because you cannot easily talk about what is bothering you, and small disagreements can turn into bigger conflicts if you do not step back and check yourself.

♀ Venus ☐ Square ♂ Mars

Right now *Venus* and *Mars* are in conflict, and you'll notice people becoming **irritable about their relationships and desires**. You might want something badly but feel frustrated that you can't have it, or clash with someone over what you both actually want from each other. This friction lasts a few days and usually pushes conversations that needed to happen anyway—but expect them to feel sharp and uncomfortable while they do.

LUNAR DAY

Moon in ♍ Virgo · Day 12 / 30 · Waxing Gibbous

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
