KEY TRANSIT FACTORS

☉ Sun ☐ Square ♄ Saturn ★

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

♅ Uranus ★ Sextile ☉ natal Sun

Right now you feel more willing to try new approaches and less attached to how things have always been done. You might surprise yourself by saying yes to an opportunity that normally wouldn't interest you, or by making a small change to your routine that actually works better. This is *Uranus* sextile your *Sun* at work—your natural **openness to fresh ideas** is flowing easily, without pushing you into anything uncomfortable or reckless.

♁ NNode ∟ Semi sextile ♁ natal NNode

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

☿ Mercury ☐ Square ♀ natal Venus

Right now your words and your feelings are out of sync, so you say things that hurt people you care about without meaning to. You notice **blunt honesty replacing your usual tact**, and conversations that should feel warm come across as cold or critical instead. Over the coming weeks, pay attention to how quickly you speak before checking whether what you're saying matches what you actually feel.

♂ Mars qx Quincunx ☾ natal Moon

Over the coming weeks, you may feel **restless in ways that don't match what you actually want to do**. Your emotional needs and your impulse to act keep pulling in different directions, leaving you frustrated or unsure which one to follow. This awkward timing usually passes, but while it lasts you might notice yourself starting things and stopping them, or feeling irritated that people aren't moving at your pace.

♁ Chiron ∟ Semi sextile ☉ natal Sun

These days you notice you can **talk about your own difficulties without shame**, which makes people trust you more easily. Your willingness to be honest about what you have struggled with gives others permission to do the same, and conversations become more real. This openness creates small moments of connection that feel genuinely supportive on both sides.

☉ Sun ☐ Square ☌ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

LUNAR DAY

Moon in ♎ Libra · Day 8 / 30 · First Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
