KEY TRANSIT FACTORS

♁ Chiron ∟ Semi sextile ♊ natal NNode ★

Over the coming weeks, you find it easier to **spot patterns in your own behaviour** without getting stuck in self-criticism. Small conversations or situations naturally point out where you've been repeating the same mistakes, and you actually listen instead of defending yourself. This practical self-awareness makes it simpler to adjust course in relationships and work without needing to overanalyse everything.

☾ Moon * Sextile ♁ natal Chiron

Right now you find it easier to talk about things that usually hurt to mention, and people respond well when you do. Your **natural openness about your own difficulties** gives others permission to be honest too, creating real connection instead of surface small talk. Over the coming weeks, this ease with vulnerability can help you understand your own patterns more clearly and support someone else who needs to hear that they're not alone in their struggle.

♃ Jupiter □ Square ♀ natal Venus

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

♇ Pluto △ Trine ♃ natal Jupiter

Over the coming weeks, you find it easier to take productive risks and push past self-imposed limits without overthinking. Your **confidence in your own judgment grows**, and you're more likely to follow through on plans that require persistence or personal reinvention. This is a good window to tackle something you've been putting off because it feels too big or demanding.

☾ Moon △ Trine ♂ natal Mars

Right now your emotional state and your drive are working together smoothly, which means you feel **motivated without overthinking things**. You're more likely to act on what you want instead of getting stuck in doubt, and people around you pick up on this confident energy. Over the coming weeks, you'll probably find it easier to push through tasks that normally feel like a drag, and to stand up for yourself without it turning into conflict.

♄ Saturn Rx · ♏ Scorpio

Deep psychological structures — the ways you manage power, control, and shared resources — are under quiet but significant review right now. Commitments made at depth, financial obligations, or emotional contracts with others demand careful attention. Unacknowledged patterns of control or avoidance are being surfaced for honest examination.

☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun ☌ Opposition ♄ Saturn

Right now you feel **blocked by rules and criticism** when you try to move forward on something that matters to you. Authority figures or your own strict inner voice push back against what you want to do, making you doubt whether you deserve to succeed. This friction is real and uncomfortable, but it forces you to build something solid instead of rushing ahead on ego alone.

☉ Sun ∟ Semi sextile ♅ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

LUNAR DAY

Moon in ♏ Scorpio · Day 16 / 30 · Full Moon

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
