KEY TRANSIT FACTORS

♇ Pluto ☌ Conjunction ♁ natal Chiron

You are becoming aware of old hurts or weak points in yourself that you have carried for years without noticing them much. **You feel motivated to examine these painful patterns closely** rather than ignore them as you normally do. This psychological pressure can be uncomfortable right now, but it is showing you exactly where you need to do real work on yourself over the coming weeks.

♃ Jupiter ☌ Opposition ♊ natal NNode

Over the coming weeks, you're likely to **overcommit yourself** and take on more than you can realistically handle. Your usual sense of what fits your life gets temporarily skewed, and you end up saying yes to opportunities that pull you away from what actually matters to you. This period asks you to notice where you're spreading yourself too thin and to start saying no more often.

♇ Pluto * Sextile ♂ natal Mars

You're finding it easier to act on what you actually want without second-guessing yourself or getting tangled up in other people's opinions. Your **willingness to take direct action** feels natural and purposeful, whether you're starting a project, having a difficult conversation, or making a change you've been putting off. Over the coming weeks, this clarity and confidence in your own decisions will help you move forward on things that matter to you.

♇ Pluto ☌ Opposition ♅ natal Uranus

You feel a strong urge to break free from situations that suddenly feel unbearable, yet any moves you make seem to create more chaos than relief. Your **impulsive decisions** clash with people who depend on your stability, leaving you frustrated and them confused. Over the coming weeks, you will need to slow down and distinguish between what actually needs to change and what you just want to escape from right now.

☉ Sun ☌ Semi sextile ☾ natal Moon

These days you find it easier to **say what you actually feel** instead of keeping things bottled up. Your emotional needs and what you want to communicate are working together smoothly, so people around you are more likely to hear you out. This is a good window to have conversations you have been putting off or to express something that matters to you.

♄ Saturn **Rx** · ♉ Sagittarius

Beliefs that have been functioning as unexamined rules are being tested for their actual utility right now. Long-term plans based on optimistic assumptions may need grounding in more realistic evaluation. Honest review of what you have committed to — in education, philosophy, or travel — is more productive than continuing forward without looking back.

☉ Sun ☌ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ☌ Quincunx ♄ Saturn

Right now you feel a mismatch between what you want to do and what seems practical or allowed. You might push forward with a plan only to run into a real obstacle that makes you reconsider, or hold back when you actually have a real opportunity. **This awkward timing between your drive and your responsibilities** means you cannot simply act on instinct—you need to adjust, compromise, or wait for better conditions.

☉ Sun * Sextile ♆ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.

LUNAR DAY

Moon in ♍ Virgo · Day 10 / 30 · First Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
