KEY TRANSIT FACTORS

☾ Moon ☐ Square ☉ natal Sun

Right now you're feeling **irritable with the people closest to you**, even when they haven't done anything wrong. Your mood swings are making it hard to stick to your normal routines, and small frustrations at work or home feel much bigger than they actually are. These next few days or weeks will test your patience, but once this passes you'll see more clearly what actually bothers you and what doesn't.

♃ Jupiter △ Trine ☿ natal Mercury

Right now your thinking is clearer than usual and you find it easier to explain what you mean to other people. You're picking up on details and patterns you normally miss, which helps you solve problems faster and make better decisions in practical situations. This is a good time to write, teach, negotiate, or learn something new because your mind is working **with less friction** and your words land better with others.

♇ Pluto * Sextile ♀ natal Venus

You're finding it easier to say what you actually want in your relationships right now, and people respond well to your honesty. Your **natural confidence in social situations** is higher than usual, which means conversations feel less forced and more genuine. Over the coming weeks, you may notice that others are more willing to listen to you and take your preferences seriously.

☉ Sun △ Trine ♆ natal Neptune

Right now you find it easier to **stay calm when things are uncertain**, and people notice you seem more relaxed and approachable. Your imagination is working well for practical things, so creative problems at work or home feel less stuck than usual. These days your social interactions flow without effort, and you're picking up on what others need without them having to spell it out.

♂ Mars * Sextile ☿ natal Mercury

Your thinking becomes **sharper and more direct** right now, and you find it easier to say what you actually mean without getting stuck in hesitation. You handle practical problems faster because your mind and your drive are working together instead of pulling in different directions. These days you're more likely to speak up in conversations, write that email you've been avoiding, or tackle a task that requires both quick thinking and real action.

♃ Jupiter Rx · ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☌ Quincunx ☌ Jupiter

These days you feel pulled between wanting to take action and doubts about whether you're doing enough, which can leave you **restless and second-guessing your choices**. Your confidence in what you're doing right now doesn't quite match what you think you should be doing, so you might start something and then hesitate or change direction. This mismatch between your actual situation and your sense of what's possible tends to create practical friction rather than clear obstacles.

LUNAR DAY

Moon in ♉ Taurus · Day 6 / 30 · Waxing Crescent

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

CLOTHING & JEWELRY
