## KEY TRANSIT FACTORS

### ♂ Mars ☌ Conjunction ♀ natal Venus ★

While this lasts, you feel a **stronger pull toward people and activities that excite you** — you're more direct about what you want and less willing to wait around. Your physical attraction to others sharpens, and you're quicker to pursue relationships or make moves in your social life. Over the coming weeks, watch whether this directness helps you connect or whether you're pushing too hard before you know what you actually want.

### ♂ Mars △ Trine ♁ natal Uranus ★

Right now you're willing to take risks in practical ways that normally feel too uncomfortable, and it's working out. You act on unconventional ideas quickly without overthinking them, and this **decisive independence** is getting real results. Over the coming weeks, trust that your instinct to break routine and try something different is actually reliable, not reckless.

### ♂ Mars \* Sextile ♄ natal Chiron ★

Over the coming weeks, you find it easier to **talk directly about past hurts without getting defensive**. You have more patience for difficult conversations and can explain what went wrong without blaming yourself or others. This is a good time to address old wounds with people you care about because your words land differently right now.

### ☉ Sun □ Square ♄ natal Saturn ★

Right now you're bumping up against your own limits, and it feels frustrating rather than motivating. You notice **resistance from authority figures or self-doubt blocking what you want to do**, and pushing harder only makes the friction worse. These few weeks ask you to slow down and work within real constraints instead of fighting them.

### ♄ Saturn △ Trine ♇ natal Pluto

You find it easier right now to **follow through on difficult changes** you have been putting off. Your practical side is working well with your ability to handle intensity, so you can tackle problems that usually feel too overwhelming. Over the coming weeks, you may notice you are more willing to do the hard work needed to transform something real in your life.

### ☉ Sun ☌ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

### ☉ Sun \* Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. Sun square Jupiter pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.
