## KEY TRANSIT FACTORS

### ☿ Mercury ∠ Semi sextile ♁ natal Chiron

These days you find it easier to talk about things that usually feel difficult or tender. Your words seem to land better when you explain your past hurts or current worries to people who matter. This period supports **clearer communication about pain**, making it simpler to get help or understanding from others without feeling like you're burdening them.

### ☿ Mercury ∠ Semi sextile ♂ natal Mars

Your thoughts are moving faster than usual right now, and you're picking up on details that normally slip past you. You find yourself more **decisive in conversation**, able to speak up about what you want without overthinking it. This is a good window to tackle practical problems or have direct talks you've been putting off, because your mind and your drive are working together smoothly.

### ♀ Venus □ Square ♀ natal Venus

These days you feel **restless about what you want** and find it hard to settle on anything that normally makes you happy. You might pick fights with people you care about over small things, or suddenly feel disconnected from activities and relationships that usually feel satisfying. This friction between what you think you should want and what you actually want right now can push you to figure out what really matters to you, even though it feels uncomfortable while it lasts.

### ♁ NNode ∠ Semi sextile ☿ natal Mercury

Over the coming weeks, you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond better to your words because you're speaking more directly and with less self-doubt. This is a good time to have conversations you've been putting off or to pitch an idea you believe in.

### ☿ Mercury qx Quincunx ♂ natal Uranus

Your thinking becomes restless and hard to pin down while this lasts, making it difficult to follow through on practical plans. You might start several mental projects or conversations but abandon them midway because your focus keeps **jumping to new angles** without warning. This is a good time to notice which ideas actually matter to you and which ones are just distractions.

### ♂ Mars Rx · ♍ Virgo

Critical energy turns inward during this period, and self-criticism tends to be more active than productive action. Health, daily routines, and work habits come under scrutiny in ways that may feel more burdensome than useful. Small consistent efforts now build toward genuine improvement more reliably than sweeping overhauls.

### ♃ Jupiter Rx · ♌ Leo

Creative confidence and the desire to be seen or celebrated retreat inward during this period. Projects that were expanding boldly may need a quieter phase of consolidation and honest self-review. Evaluating what you are genuinely proud of versus what requires more work is the most honest use of this time.

### ☉ Sun ☌ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

### ☉ Sun △ Trine ♅ Uranus

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

### ☉ Sun \* Sextile ♆ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.
