## KEY TRANSIT FACTORS

### ♁ Chiron \* Sextile ♀ natal Venus ★

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

### ♁ Chiron \* Sextile ♂ natal Mars ★

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

### ♁ NNode ∟ Semi sextile ♁ natal Chiron ★

Over the coming weeks, you'll find it easier to **notice when someone else is struggling and know exactly what to say** without overthinking it. This natural gift for understanding pain in others comes from recognizing similar patterns in yourself, and right now that recognition flows smoothly instead of getting tangled up. People around you will feel genuinely heard by you during this period, and that simple act often helps them more than they expected.

### ♁ NNode ☿ Quincunx ♅ natal Uranus ★

Your usual way of handling change feels awkward right now, like your instinct for independence is out of sync with what you actually need to do. You might notice yourself wanting to break free from something at the same time you're supposed to be working within a system or commitment. **The mismatch between your need for freedom and your practical obligations** creates low-level friction that makes decisions harder than they should be, and this typically settles down over the coming weeks.

### ☾ Moon ☿ Opposition ♀ natal Venus

Over the coming weeks, you feel **emotionally disconnected from the people you care about**, even when you are physically close to them. Your usual warmth and interest in others gets pulled inward, making you seem withdrawn or critical in social situations. This mismatch between what you normally feel and what you actually feel right now can create awkward moments in your relationships until this period passes.

### ☉ Sun ∟ Semi sextile ☿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

### ☉ Sun \* Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

### ☉ Sun △ Trine ♆ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.
