KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♃ natal Mercury

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

☉ Sun ☍ Opposition ♅ natal Uranus

Right now you're finding it hard to stick to plans or routines because you keep feeling the urge to break free or rebel against your own commitments. Your **restlessness makes you impatient** with structures you normally accept, and you may act on impulse in ways that disrupt your work or relationships. Over the coming weeks, you'll need to notice this impulse before you act on it, because most of what feels urgent to change is actually just temporary frustration with your own consistency.

♃ Jupiter ☐ Square ♀ natal Venus

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

☉ Sun * Sextile ♂ natal Mars

Right now you feel **purposeful and able to act on what matters to you**, and tasks that usually feel like a drag become easier to start. Your practical energy is flowing, so this is a good time to tackle projects at work or home that need your direct effort and attention. Over the coming weeks, you're likely to notice people respond better to your straightforward approach and genuine confidence.

☉ Sun ☌ Conjunction ♁ natal Chiron

Over the coming weeks, you become more aware of where you feel inadequate or have given up on yourself. This isn't painful so much as honest—you see your own blind spots about your abilities and worth. This is the moment to decide if you want to **stop protecting yourself from trying** or keep playing it safe.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

☉ Sun ☌ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☿ Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

☉ Sun △ Trine ♄ Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.

LUNAR DAY

Moon in ♊ Gemini · Day 13 / 30 · Waxing Gibbous

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Pisces

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
