KEY TRANSIT FACTORS

♆ Neptune ☐ Square ♃ natal Mercury ★

Your thinking feels foggy right now, and you struggle to organize your thoughts into clear sentences or plans. You may say things you don't fully mean, misunderstand what others are telling you, or find yourself **second-guessing decisions** you would normally make quickly. Over the coming weeks, you will need to double-check important information and avoid signing contracts or making commitments until this confusion lifts.

☾ Moon ☐ Quincunx ♄ natal Saturn

These days you feel out of sync between what you need emotionally and what your responsibilities demand. You might notice yourself **starting tasks but struggling to finish them**, or feeling irritable when practical obligations interrupt your mood. This awkward gap between your feelings and your duties will pass in a few days, but right now it's making small decisions feel surprisingly complicated.

♁ NNode △ Trine ♃ natal Jupiter

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

♂ Mars ∟ Semi sextile ♀ natal Venus

These days you feel more **confident when connecting with people** you care about, and small gestures of affection come naturally to you. Your *Mars* is working smoothly with your *Venus*, making it easier to express what you want without being pushy or awkward about it. Over the coming weeks, you might find that conversations flow better and you're less hesitant to take the social initiative.

♀ Venus △ Trine ♇ natal Pluto

Right now you're drawn to people and situations that feel genuinely authentic, and others pick up on this **magnetic honesty** in how you show up. Your practical ability to read what someone really needs, beneath the surface, makes your relationships deepen without effort. Over the coming weeks, this natural pull toward real connection can help you attract people or opportunities that actually align with who you are.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☐ Square ♃ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

☾ Moon ∟ Semi sextile ♀ Venus

These days you find it easier to **say what you actually feel** without worrying so much about how it lands. The emotional and social parts of you are working together instead of against each other, so expressing affection or gratitude comes naturally. This is a good window for having honest conversations with people you care about without the usual awkwardness getting in the way.

LUNAR DAY

Moon in ♉ Taurus · Day 1 / 30 · New Moon

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Pisces

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
