KEY TRANSIT FACTORS

♀ Venus ☿ Conjunction ♂ natal Mars · peak 13 Mar ★

You feel more **confident and direct about what you want**, whether in romantic or social situations. These days you're more likely to make the first move, express attraction openly, or simply go after something that interests you instead of waiting. This confidence usually works in your favour, though it can fade quickly once the transit ends.

♁ NNode ♌ Semi sextile ♁ natal NNode · peak 21 Mar

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

♅ Uranus ★ Sextile ♇ natal Pluto · peak 1 Mar

Right now you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. *Uranus* is helping you see practical steps forward where *Pluto* usually makes things feel stuck or all-or-nothing. Over the coming weeks, you're more likely to act on improvements in your work, relationships, or routines instead of waiting for a crisis to force your hand.

♄ Chiron ☐ Square ♄ natal Chiron · peak 15 Mar

These days you are more aware of where you feel inadequate or defective, and this awareness is uncomfortable rather than helpful. You might find yourself **withdrawing from situations where you could actually contribute** because you are convinced you will fail or disappoint others. This period pushes you to face the difference between your actual limitations and the harsh internal voice that exaggerates them.

♄ Chiron ☐ Square ♂ natal Uranus · peak 22 Mar

Right now you feel caught between wanting to break free and being afraid of what comes next. **You act impulsively without thinking through the consequences**, then immediately regret decisions you've made about your independence or your unconventional plans. Over the coming weeks, expect friction in areas where you've been trying to be different or rebel against expectations, because part of you still doubts whether the change is actually right for you.

♄ Chiron ♌ Semi sextile ♂ natal Mars · peak 21 Mar

These days you're finding it easier to **speak up about what you actually need** instead of pushing through on your own. You're noticing that asking for help or setting a boundary doesn't drain you the way it used to. This quieter confidence is showing up in conversations at work and in your relationships, making things feel less exhausting overall.

♄ Saturn qx Quincunx ♄ natal Chiron · peak 31 Mar

Over the coming weeks, you may notice that **old wounds or insecurities surface when you face practical limits**—especially around work, deadlines, or things you cannot control. This happens because *Saturn* is making you take a hard look at what you've been managing poorly or avoiding, and it feels uncomfortable. The shift you need is to stop protecting yourself and instead be honest about where you actually need help or training.

♆ Neptune △ Trine ♀ natal Moon · peak 31 Mar

Right now your **emotional intuition is unusually reliable**, and you find yourself understanding what people need without them having to spell it out. Your relationships feel more natural and less effortful during this period, as if you are picking up on unspoken feelings with ease. Over the coming weeks, this sensitivity works in your favour in conversations where you need to be gentle or reassuring.

♅ Uranus □ Square ♀ natal Mercury · peak 31 Mar

Your thoughts feel scattered and hard to pin down these days, making it difficult to follow through on plans or explanations. You might **interrupt conversations without noticing, say things you regret, or struggle to listen** because your mind is jumping between too many ideas at once. This restlessness in how you think and communicate will likely frustrate both you and the people around you until this period passes.

♄ Chiron ∟ Semi sextile ♀ natal Venus · peak 31 Mar

You find yourself noticing what you actually need from people around you instead of just accepting whatever comes. This clarity helps you express your preferences without guilt or over-explaining yourself. Your relationships feel more **honest and straightforward** over the coming weeks because you're willing to say what matters to you.

♄ Saturn □ Square ♂ natal Mars · peak 31 Mar

Right now you're running into delays and resistance whenever you try to push forward on anything. Your usual speed and confidence feel blocked, and you may notice **frustration building because things take twice as long as you expect**. This period is teaching you that forcing your way through doesn't work, though that lesson feels uncomfortable while you're living it.

♃ Jupiter ✱ Sextile ♀ natal Moon · peak 31 Mar

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

♄ Saturn ∟ Semi sextile ♅ natal Uranus · peak 31 Mar

These days you find it easier to act on your unconventional ideas without feeling rushed or reckless about them. Your **natural caution helps you test new approaches before committing fully**, which means your experiments with different ways of doing things actually stick around. Over the coming weeks, this steadier pace lets you build something real from the innovations you've been wanting to try.

♄ Saturn △ Trine ♄ natal NNode · peak 1 Mar

Over the coming weeks, you find it easier to **follow through on decisions that matter to you** without second-guessing or getting distracted. *Saturn* trine your *North Node* gives you a practical calm that lets you build on what you've already started, one step at a time. People around you notice you're more reliable right now, and that steadiness actually opens doors instead of closing them.

♄ Saturn □ Square ♀ natal Venus · peak 31 Mar

Right now you feel **withdrawn and critical** about your relationships, noticing flaws that bother you more than usual. People may seem demanding or disappointing, and you're less interested in socializing or physical affection during this period. This temporary hardness comes from *Saturn* pressing on your *Venus*, making emotional closeness feel like work rather than pleasure.

KEY DATES

Thu, 1 Mar ♀ Venus enters ♓ Pisces

♅ Uranus ✕ Sextile ♀ natal Pluto

♄ Saturn △ Trine ♄ natal NNode

Venus in *Pisces* makes people **softer and more forgiving** in how they treat others, so you might find yourself saying yes to requests you'd normally turn down or letting old arguments go without needing to rehash them. In relationships and work, this transit brings **less direct communication** — people get quieter, drop hints instead of asking straight out, and assume others understand what they want without saying it. *Venus* here also pulls attention toward **feeling appreciated through small gestures** like a text check-in or someone remembering how you take your coffee, rather than big declarations or expensive gifts.

Sun, 4 Mar ♄ Chiron □ Square ♄ natal Chiron

Mon, 5 Mar ♀ Mercury stations Retrograde

New Moon in Pisces

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Sat, 10 Mar ♃ Neptune stations Retrograde

Neptune stationing retrograde marks the point where **clarity takes a step back** in the areas it governs — dreams, beliefs, creativity, and what you're willing to believe about yourself or others. During this period, people often notice **confusion returning to situations** they thought were settled, delays in creative projects, or the need to rethink agreements that felt unclear to begin with. *Neptune* retrograde typically brings **reality checks** that strip away wishful thinking, so you may spot where you've been fooling yourself or where someone else's promises don't actually add up.

Mon, 12 Mar ♅ Uranus ✕ Sextile ♀ natal Pluto

Thu, 15 Mar ♄ Chiron □ Square ♄ natal Chiron

Sun, 18 Mar Full Moon in Virgo

♆ Neptune △ Trine ☾ natal Moon

Wed, 21 Mar ☼ Sun enters ♈ Aries

Sun in *Aries* brings **direct energy** that makes people more willing to **speak up** and take action without overthinking. At work and in relationships, you'll notice others become **more competitive** and eager to **push forward** with new projects or ideas, sometimes stepping on toes in the rush. This transit typically lasts about four weeks and leaves people feeling **impatient with delays**, so projects that moved slowly before now either speed up or hit friction with people who want faster results.

Thu, 22 Mar ♄ Chiron □ Square ♅ natal Uranus

Sun, 25 Mar ♀ Venus enters ♈ Aries

Venus in *Aries* tends to make people more **direct about what they want**, especially in relationships and social situations where they'd normally hold back. You might notice yourself **speaking up sooner** instead of waiting or overthinking, and others responding to that straightforward approach. At work and in friendships, this transit often brings **faster decisions** and less time spent on small talk or people-pleasing.

Tue, 27 Mar ♀ Mercury stations Direct

♂ Mars enters ♒ Aquarius

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.
