KEY TRANSIT FACTORS

♄ Chiron * Sextile ♀ natal Venus · peak 31 Dec ★

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

♄ Chiron * Sextile ♂ natal Mars · peak 31 Dec ★

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

♄ Saturn □ Square ♃ natal Mercury · peak 30 Dec

Right now your thinking feels slower and more careful than usual, and you may struggle to express yourself clearly to others. **You second-guess your words** before speaking, worry that what you say will be misunderstood, and find it harder to explain ideas that felt obvious before. These mental delays and doubts will pass once this transit moves on, but while it lasts you'll need to accept that communication takes more effort and patience.

♁ NNode □ Square ♆ natal Neptune · peak 18 Dec

Right now you are drawn to **vague promises and unclear commitments** that later fall apart, leaving you frustrated and mistrustful. Your instinct to believe in people's good intentions keeps colliding with the reality that they have not actually committed to anything concrete. These days the gap between what you hope will happen and what people are actually willing to do feels wider than usual, and it is making you question whether you are naive or whether others are simply evasive.

♆ Neptune * Sextile ♆ natal Neptune · peak 1 Dec

You find it easier right now to **notice patterns in your own thinking** without getting caught up in them. Your intuition about what people need from you becomes clearer, and you can offer support without losing yourself in their problems. Over the coming weeks, this practical clarity about emotional situations helps you make better choices about who and what deserves your time.

♇ Pluto ♂ Conjunction ♄ natal Saturn · peak 31 Dec

You are experiencing a **crushing pressure to get serious about something you've been avoiding**. Right now, authority figures or consequences feel more real and harder to ignore than usual. Over the coming weeks, you'll likely find yourself building new structures or dismantling old ones that no longer work, whether that's in your work, relationships, or how you organize your life.

♋ NNode ∟ Semi sextile ♅ natal Pluto · peak 31 Dec

Over the coming weeks, you find it easier to **speak up about what you actually want** instead of staying quiet to keep the peace. Small conversations that would normally feel risky now feel manageable, and people respond better than you expected. This is a good time to set a boundary you have been putting off or to tell someone what you really think.

♃ Jupiter □ Square ☉ natal Sun · peak 1 Dec

Right now you are **overestimating what you can handle**, and this confidence is pulling you into commitments that drain your resources faster than you expected. *Jupiter* is amplifying your sense of possibility while *Sun* pushes you to prove yourself, making it hard to say no or admit limits. Over the coming weeks you will likely hit a wall—exhaustion, overspending, or failed promises—that forces you to recalibrate what actually matters to you.

♅ Uranus * Sextile ☉ natal Sun · peak 1 Dec

Right now you feel more willing to try new approaches and less attached to how things have always been done. You might surprise yourself by saying yes to an opportunity that normally wouldn't interest you, or by making a small change to your routine that actually works better. This is *Uranus* sextile your *Sun* at work—your natural **openness to fresh ideas** is flowing easily, without pushing you into anything uncomfortable or reckless.

♄ Saturn * Sextile ♅ natal Pluto · peak 31 Dec

You find it easier to **stick with difficult changes** right now without feeling overwhelmed by them. This period supports you in handling practical problems that need real commitment, like restructuring your finances or ending a relationship that no longer works. *Saturn* and *Pluto* are helping you make tough decisions with a clear head and then follow through without second-guessing yourself.

♃ Jupiter ♁ Quincunx ☾ natal Moon · peak 31 Dec

Over the coming weeks you may feel pulled between wanting more comfort and feeling restless with your current situation. Your emotional needs don't quite match what's actually available to you right now, so you keep adjusting your expectations without getting settled. This **mild discomfort with routine** often pushes you to make small changes in how you manage your home or relationships, even if you're not entirely sure what you want.

♆ Neptune △ Trine ♅ natal Pluto · peak 1 Dec

You're finding it easier to let go of situations that no longer serve you without drama or resistance right now. Your practical instincts are sharper about which changes are worth making and which problems will solve themselves if you stop pushing. *Neptune* trine *Pluto* gives you a **calm acceptance of transformation** that makes difficult decisions feel less like crises and more like natural course corrections.

♋ NNode ☉ Opposition ♀ natal Mercury · peak 31 Dec

Right now you find yourself **saying things that confuse or upset people** even when you do not intend to. Your usual way of explaining yourself is not landing the way it normally does, and you keep having to backtrack or clarify what you meant. Over the coming weeks, this friction in how you communicate may force you to slow down and actually listen to what others need to hear instead of just what feels natural to say.

♄ Chiron △ Trine ♀ natal Mercury · peak 1 Dec

You find it easier to talk about your own struggles and listen without judgment when others share theirs. Your conversations tend to be more honest and direct, and people seem to appreciate your **practical, grounded way of discussing difficult topics**. Over the coming weeks, this natural clarity helps you connect with people on a real level instead of staying stuck in surface talk.

♆ Neptune * Sextile ♄ natal Saturn · peak 31 Dec

Right now you find it easier to **organize vague ideas into actual plans** without getting lost in details. Your practical side is working well with your imagination, so you can sketch out a direction and know roughly how to get there. Over the coming weeks, this steadiness means you can trust your instincts about which dreams are worth the effort.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

PROGRESSED MOON

- Progressed Moon in ♈ Aries 27.5° H3
- Progressed Moon ☉ Opposition ♄ natal Saturn

LUNATIONS

○ Full Moon · Friday, 11 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H6 — Health & Service

A health situation or work matter is coming to a head. Something in your **daily routines, workplace dynamics, or physical wellbeing** can no longer be deferred — it needs attention and resolution. Overwork, health imbalances, or conflicts with colleagues become impossible to ignore under this full moon. This is the moment to address what your body has been signaling, complete a work project, or acknowledge a work dynamic that isn't sustainable.

● New Moon · Saturday, 26 Dec

in ♑ Capricorn

long-term goals, ambition, structural reset

in H12 — Inner Life & Solitude

A new cycle is beginning in the hidden, private areas of your life. This lunation brings **inner work, spiritual renewal, and a clearing of old burdens** to the foreground. What you choose to let go of, process, or release over the coming weeks will free up significant inner resources. Solitude, contemplation, and honest self-examination are more productive than external activity right now. Trust what surfaces from beneath the surface — it's asking to be acknowledged.

KEY DATES

Tue, 1 Dec ♃ Neptune ✖ Sextile ♃ natal Neptune

♃ Jupiter □ Square ☉ natal Sun

♅ Uranus ✖ Sextile ☉ natal Sun

Wed, 9 Dec ♀ Venus enters ♒ Aquarius

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

Fri, 11 Dec Full Moon in Gemini

Mon, 14 Dec ♃ Neptune ✖ Sextile ♃ natal Neptune

Wed, 16 Dec ♂ Mars enters ♎ Libra

Mars in *Libra* shifts how people push for what they want — instead of charging ahead alone, you'll notice more **talking things through** and **weighing options** before acting. At work and in relationships, **compromise** becomes the move rather than winning outright, and people often spend extra time **getting agreement** before making decisions. The trade-off is real: you get **smoother partnerships** and fewer direct conflicts, but things take longer to actually start moving.

Fri, 18 Dec ☿ Mercury enters ♑ Capricorn

♁ NNode □ Square ♃ natal Neptune

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 20 Dec ♄ Saturn □ Square ♃ natal Mercury

♇ Pluto ♂ Conjunction ♄ natal Saturn

Tue, 22 Dec ☉ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Sat, 26 Dec New Moon in Capricorn

Mon, 28 Dec ♁ NNode □ Square ♃ natal Neptune

Wed, 30 Dec ♄ Saturn □ Square ♃ natal Mercury

Thu, 31 Dec ♇ Pluto ♂ Conjunction ♄ natal Saturn
