KEY TRANSIT FACTORS

♄ Chiron * Sextile ♄ natal Saturn · peak 29 May

Right now you're finding it easier to **talk about your past mistakes without shame or defensiveness**. You can look at where you've struggled or failed and see useful lessons instead of just pain. This practical shift lets you move forward with real confidence based on actual experience.

♃ Jupiter ☐ Square ♀ natal Venus · peak 15 May

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

♃ Jupiter ☐ Quincunx ♄ natal Chiron · peak 10 May

You find yourself **overestimating what you can help others fix**, especially in situations where someone else needs to do their own work. Your confidence in giving advice or support grows, but you often miss the signs that people need to figure things out themselves. Over the coming weeks, you may feel frustrated when your generous efforts don't produce the results you expected.

♃ Jupiter ☐ Square ♂ natal Mars · peak 11 May

Right now you are more likely to **overcommit and overestimate what you can actually do**, which leaves you frustrated when reality doesn't match your ambition. Your impatience is higher than usual, so small delays or obstacles feel like major blocks, and you may snap at people or push harder than makes sense. Over the coming weeks, learning to slow down and check your assumptions before acting will help you avoid wasting energy on projects that won't actually work out.

♃ Jupiter ∟ Semi sextile ♂ natal Uranus · peak 12 May

Over the coming weeks, you feel **more willing to try new approaches** without abandoning what already works for you. Small opportunities for practical change show up in your routines, and you have the confidence to test them out. This is a good time to experiment with a new habit or way of doing something because the risk feels manageable and the potential payoff feels real.

♁ NNode ☐ Square ☾ natal Moon · peak 31 May

You are feeling **emotionally pulled in two directions** right now, wanting to stay comfortable while something pushes you toward unfamiliar social or practical territory. Your gut reactions clash with what people around you seem to expect, leaving you irritable and confused about what you actually need. Over the coming weeks, you will have to choose between repeating old emotional patterns or accepting that some relationships and routines no longer fit who you are becoming.

♃ Jupiter △ Trine ♃ natal NNode · peak 1 May

Over the coming weeks, you find it easier to say yes to opportunities that genuinely interest you instead of second-guessing yourself. **You pursue what matters to you with more confidence**, whether that is a new skill, a social group, or a professional direction. These doors open partly because you are actually asking for what you want, and people tend to respond well to that clarity.

♅ Uranus △ Trine ♆ natal Neptune · peak 1 May

You're finding it easier right now to **turn your creative ideas into something real**, whether that's art, writing, or a practical project you've been imagining. Your intuition is sharper about what actually works, so you can spot the useful parts of your daydreams and leave the rest behind. Over the coming weeks, you'll notice you're less stuck between fantasy and reality, and more able to build something meaningful from both.

♇ Pluto ∟ Semi sextile ♄ natal Chiron · peak 1 May

Over the coming weeks, you notice you can **talk about past hurts without getting stuck in them**. People seem to listen differently when you speak, and you find yourself explaining your experiences in ways that actually help others understand you. This shift makes conversations feel lighter and more honest than usual.

♇ Pluto * Sextile ♃ natal NNode · peak 31 May

Over the coming weeks, you find it easier to **let go of habits that no longer fit who you're becoming**. People respond to a quiet confidence in you right now, and you naturally attract opportunities that align with what you actually want. This is a good time to make practical changes to your life direction without overthinking them.

♇ Pluto □ Square ♂ natal Mars · peak 1 May

You are feeling blocked when you try to act on what you want, and small frustrations can trigger **sudden intense anger** that surprises even you. Your usual way of getting things done meets resistance from other people or from circumstances, leaving you feeling powerless and resentful. Over the coming weeks, you will need to pay attention to where you are actually pushing too hard instead of assuming others are the problem.

♃ Jupiter ♁ Quincunx ♄ natal Mercury · peak 31 May

Right now your thinking feels scattered when you try to tackle detailed work or organize your thoughts. You may notice yourself making careless mistakes in writing or communication because your **attention keeps jumping between ideas** instead of staying focused. Over the coming weeks, double-checking your work and writing things down before speaking will help you actually complete what you start.

♇ Pluto ♁ Quincunx ♅ natal Uranus · peak 1 May

You feel pulled between wanting to break free from something and not knowing exactly what to change or how. This inner restlessness can make you **act impulsively on plans that aren't fully thought through**, only to second-guess yourself days later. Over the coming weeks, small adjustments to your routines or relationships will feel more useful than any dramatic moves.

♄ Saturn △ Trine ☉ natal Sun · peak 1 May

Right now you find it easier to **follow through on what matters to you**, and people notice the difference in your reliability. Your practical sense is sharp, so you can see which goals are actually worth your time and which ones to drop without guilt. Over these coming weeks, you're building real credibility because you do what you say you will do.

♆ Neptune * Sextile ☾ natal Moon · peak 31 May

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

LUNATIONS

○ Full Moon · Monday, 7 May

in ♏ Scorpio

hidden truths, emotional intensity, power shift

in H10 — Career & Reputation

Your professional life and public reputation are under full illumination. A **career achievement, recognition, or significant turn in your public standing** is reaching its peak. This is often the full moon associated with promotions, public moments, or a situation at work coming to a decisive point. How others see you professionally is clarified now — for better or worse. What you've built toward is visible, and so are the gaps between your ambitions and your current reality.

● New Moon · Wednesday, 23 May

in ♊ Gemini

new ideas, curiosity, short-term connections

in H5 — Creativity & Romance

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

KEY DATES

Tue, 1 May ♃ Jupiter △ Trine ♃ natal NNode

♅ Uranus △ Trine ♃ natal Neptune

Sun, 6 May ☿ Mercury enters ♊ Gemini

Mercury entering *Gemini* sharpens your ability to **pick up details** and **connect ideas quickly**, so conversations at work or home tend to move faster and cover more ground. People often notice they're **more curious** about how things work and less patient with slow explanations, which can make learning something new feel easier but also make waiting for others frustrating. At work and in daily tasks, **short-form communication** — texts, quick calls, bullet points — becomes more natural than long emails, and your mind jumps between topics more readily.

Mon, 7 May Full Moon in Scorpio

Fri, 11 May ♆ Neptune stations Retrograde

♃ Jupiter □ Square ♂ natal Mars

Neptune stationing retrograde marks the point where **clarity takes a step back** in the areas it governs — dreams, beliefs, creativity, and what you're willing to believe about yourself or others. During this period, people often notice **confusion returning to situations** they thought were settled, delays in creative projects, or the need to rethink agreements that felt unclear to begin with. *Neptune* retrograde typically brings **reality checks** that strip away wishful thinking, so you may spot where you've been fooling yourself or where someone else's promises don't actually add up.

Sat, 12 May ♂ Mars stations Retrograde

Mars stationing retrograde often brings **delays and restarts** in projects, work deadlines, and physical activities—things that felt urgent suddenly move slower or need reworking. People commonly notice they feel less pushy, more willing to **reconsider decisions** they made before, and sometimes **old conflicts or rivalries** come back up that need settling. In practical terms, this is a good time to **revise plans** rather than launch new ones, fix broken equipment, and handle any pending arguments you've been avoiding.

Mon, 14 May ♅ Uranus △ Trine ♃ natal Neptune

Tue, 15 May ♃ Jupiter □ Square ♀ natal Venus

Sun, 20 May ♄ Chiron * Sextile ♄ natal Saturn

Mon, 21 May ☉ Sun enters ♊ Gemini

Sun in *Gemini* brings a **shift toward curiosity and talking things through** — you'll notice people asking more questions, starting conversations they'd normally skip, and wanting to understand how things work. At work and in relationships, **communication becomes easier and faster**, though the downside is that people scatter their attention across more projects and topics than they can actually finish. **Short trips, emails, and quick decision-making** pick up noticeably during this month, so if you've been putting off organizing your schedule or catching up with contacts, this is when that restless energy makes it feel natural.

Wed, 23 May New Moon in Gemini

Tue, 29 May ♄ Chiron * Sextile ♄ natal Saturn

Wed, 30 May ♅ Uranus stations Retrograde

Uranus stationing retrograde typically brings **delays and reversals** in tech, internet connections, and unexpected plans that felt solid just weeks ago. Areas like innovation projects, group friendships, or sudden life changes often **pause or shift direction** — what looked like progress stalls, and people find themselves rethinking decisions they thought were final. In practice, this period favors **reviewing old ideas** rather than launching new ones, and you'll notice others becoming less willing to commit to radical changes or unusual partnerships.

Thu, 31 May ♃ NNode □ Square ♄ natal Moon
