KEY TRANSIT FACTORS

♄ Saturn ☐ Square ☉ natal Sun · peak 31 Dec ★

Right now you feel less confident than usual and more aware of your limits. Your **self-doubt shows up in real ways** — you hesitate before speaking up, you second-guess decisions you would normally make quickly, and you notice people responding to this hesitation by taking the lead instead. This period asks you to do practical work on your confidence, not by ignoring the doubts but by acting despite them.

♅ Uranus ∟ Semi sextile ♃ natal Jupiter · peak 24 Dec

These days you're picking up on new possibilities that others around you haven't noticed yet, and your **natural optimism makes you willing to try them**. A small opportunity in work or learning might appear suddenly, and you'll have the confidence to act on it without overthinking the risks. Over the coming weeks, this forward momentum helps you feel less stuck in old routines and more curious about what comes next.

♃ Jupiter ☌ Conjunction ♆ natal Neptune · peak 23 Dec

Over the coming weeks, you may find yourself **more willing to believe in possibilities that seem unlikely**, and this can work for you or against you depending on what you're pursuing. Your practical judgment softens right now, making you generous with money and optimistic about future outcomes in ways that feel good but may not be realistic. If you're starting something new, channel this confidence into concrete steps rather than letting it stay as wishful thinking.

♁ NNode ☌ Conjunction ♄ natal Chiron · peak 6 Dec

Over the coming weeks, you become **more aware of how you respond when others are struggling or hurt**. You notice yourself wanting to help in ways that feel natural to you, and people actually seem to listen when you do. This isn't about fixing anyone—it's about recognizing where your practical support lands best and feels most genuine.

♇ Pluto * Sextile ☾ natal Moon · peak 18 Dec

You find it easier right now to talk about what you actually feel instead of keeping things hidden. Your **emotional honesty** comes across as natural and calm, so people listen and respond well. Over the coming weeks, this means conversations with family or close friends become more real and less guarded.

♃ Jupiter * Sextile ♇ natal Pluto · peak 14 Dec

You are noticing that **you can actually follow through on changes you've been wanting to make**, whether at work or in your personal life, because your motivation to act is both strong and steady right now. *Jupiter* sextile your natal *Pluto* means you have real leverage to transform something practical — you see what needs to happen and you have the confidence to do it without second-guessing yourself. Over the coming weeks, people around you may pick up on this shift and start treating you differently, which can open doors you didn't expect.

♃ Jupiter ☐ Square ♀ natal Mercury · peak 6 Dec

Your mind is working faster than your mouth right now, and people find you hard to follow. You jump between ideas, interrupt conversations, and make promises you cannot keep because you are overestimating what you can handle. The gap between what you think you can do and what is actually realistic will create real problems at work or in your relationships over the coming weeks.

♁ NNode * Sextile ♂ natal Mars · peak 1 Dec

You find yourself **taking action on things that matter to you without overthinking**, and people respond well to your straightforward confidence. Over the coming weeks, opportunities show up because you're willing to put yourself forward instead of holding back. Your practical energy right now is contagious, and you're likely to accomplish more by simply doing rather than planning.

♁ NNode ♉ Opposition ♂ natal Uranus · peak 1 Dec

Right now you are caught between wanting to rebel against your routine and feeling pressure to stick with what works, which creates real friction in your decisions. **You swing between sudden urges to change direction and anxiety about losing stability**, making it hard to commit to anything. Over the coming weeks, people around you may find you unpredictable or erratic, because you genuinely do not know which version of yourself will show up.

♁ Uranus △ Trine ♁ natal NNode · peak 1 Dec

While this lasts, you find it easier to **break free from old patterns that no longer fit** and try something genuinely new. You feel less afraid of standing out or doing things differently than usual, and others seem to respond well to this shift in you. Over the coming weeks, this confidence in your own direction can open doors you didn't expect.

♁ NNode * Sextile ♀ natal Venus · peak 1 Dec

You find it easier right now to connect with people in genuine ways and speak up about what matters to you socially. Your **natural warmth and openness come across more clearly**, and others respond positively to this shift in how you show up. Over the coming weeks, this period supports making new friendships or deepening existing relationships without the usual awkwardness or second-guessing.

♆ Neptune ♂ Conjunction ☾ natal Moon · peak 1 Dec

Your emotional responses feel less clear right now, and you may notice yourself reacting to people based on what you imagine they mean rather than what they actually say. This **blurred emotional perception** can make you more compassionate in the moment, but also more likely to misread situations or take things personally that weren't intended that way. Over the coming weeks, check in with people directly about how they feel instead of guessing.

♁ NNode ∟ Semi sextile ♁ natal NNode · peak 31 Dec

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

♄ Saturn ∟ Semi sextile ☾ natal Moon · peak 1 Dec

Over the coming weeks, you'll find it easier to **organize your feelings into practical steps** rather than getting stuck in emotional loops. Your emotional needs start to align with what you can actually do in your daily life, so you feel less pulled in two directions. This is a good time to set small routines that genuinely comfort you, since your practical side and your emotional side are working together instead of against each other.

♃ Jupiter ♂ Conjunction ♄ natal Saturn · peak 31 Dec

Over the coming weeks, you're likely to feel **more serious about your plans and less willing to skip steps**. You'll probably want to finish what you've started before moving on to something new, and you may feel frustrated if others rush you or if deadlines keep shifting. This is a practical time to consolidate what you've built and to test whether your ambitions actually work in the real world.

♄ Saturn Rx · ♉ Taurus

Long-term financial structures, material commitments, and patterns of security are under review during this period. What you have been relying on for stability may require more active maintenance than you had assumed. Honest reckoning with resources and long-term obligations is the most useful work you can do right now.

LUNATIONS

○ Full Moon · Friday, 1 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H5 — Creativity & Romance

A creative work, romantic situation, or matter involving children is reaching its peak. What began months ago in your love life or creative endeavors is now **ready for a culmination** — a relationship becoming more defined, a project completing, or a moment of genuine joy or heartbreak making itself felt. The full moon here amplifies feelings of passion and desire. Be honest about what and who actually brings you happiness, rather than what you think should.

● New Moon · Saturday, 16 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H12 — Inner Life & Solitude

A new cycle is beginning in the hidden, private areas of your life. This lunation brings **inner work, spiritual renewal, and a clearing of old burdens** to the foreground. What you choose to let go of, process, or release over the coming weeks will free up significant inner resources. Solitude, contemplation, and honest self-examination are more productive than external activity right now. Trust what surfaces from beneath the surface — it's asking to be acknowledged.

KEY DATES

Fri, 1 Dec Full Moon in Gemini

♊ NNNode ✖ Sextile ♂ natal Mars

♊ NNNode ☉ Opposition ♂ natal Uranus

♁ Uranus △ Trine ♊ natal NNNode

Sat, 2 Dec ♃ Lilith enters ♈ Aries

Lilith in *Aries* pushes people to **speak up and set boundaries** without waiting for permission or worrying about others' approval. At work and in relationships, you'll notice a **sharper willingness to disagree**, defend your own needs, and walk away from situations that feel controlling or unfair. This transit typically brings **impatience with people-pleasing** — expect less tolerance for being told what to do, and more direct conflict when someone tries to override your choices.

Wed, 6 Dec ♊ NNNode ☿ Conjunction ♄ natal Chiron

♃ Jupiter □ Square ♀ natal Mercury

Sun, 10 Dec ♀ Mercury enters ♐ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Thu, 14 Dec ♃ Jupiter ✖ Sextile ♇ natal Pluto

Fri, 15 Dec ♀ Venus enters ♐ Sagittarius

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

Sat, 16 Dec New Moon in Sagittarius

Sun, 17 Dec ♆ Neptune stations Direct

Neptune stationing direct means **confusion clears up** in areas where you've been stuck or uncertain — contracts, creative projects, or health decisions start moving again instead of feeling frozen. People often notice they can **see reality more clearly** now, especially about situations they've been avoiding or romanticizing, so you might finally act on something you've been postponing. *Neptune* direct also **restarts forward momentum** in your intuition and imagination, making it easier to finish creative work or set clearer boundaries in relationships rather than staying tangled in vague patterns.

Mon, 18 Dec ♇ Pluto ✖ Sextile ☾ natal Moon

Thu, 21 Dec ☉ Sun enters ♐ Capricorn

♂ Mars enters ♎ Libra

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings

and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
