KEY TRANSIT FACTORS

♅ Uranus ☾ Opposition ♀ natal Venus

Right now you feel **restless in your closest relationships** and may push away people you normally rely on. You want more freedom or something completely different from what your partner or friends expect, and this clash makes everything feel tense. Over the coming weeks, familiar patterns in how you connect with others will feel uncomfortable, and you might make sudden changes you later question.

♁ NNode ☿ Conjunction ♀ natal Venus

These days you are **drawn toward people and situations that feel more authentic to you**, and you find it easier to say no to relationships or commitments that don't fit. Your social choices become clearer because you care less about keeping peace and more about genuine connection. Over the coming weeks, pay attention to which people and activities you naturally gravitate toward—they are showing you what actually matters to you right now.

♃ Jupiter ☿ Conjunction ♁ natal Lilith

Over the coming weeks, you're likely to feel more **willing to ignore rules that don't make sense to you**. You might speak up in situations where you'd normally stay quiet, or push back against expectations that feel unfair. This boldness can open doors, but it can also create friction if you're not careful about who you're confronting.

☿ Mercury △ Trine ☉ natal Sun

Your thinking is **clearer and more direct** right now, and people respond better when you explain yourself. You find it easier to say what you actually mean instead of second-guessing your words, which makes conversations feel less exhausting. Over the coming weeks, this mental clarity also helps you solve practical problems faster and notice details you usually miss.

♂ Mars ☿ Conjunction ♃ natal Jupiter

You feel **more confident taking action** on things you have been thinking about for weeks. Your appetite for challenges grows right now, and you are willing to push harder than usual at work or in personal projects. Over the coming weeks, watch that you don't overcommit or say yes to everything just because you feel capable of doing it.

♂ Mars Rx • ♎ Libra

Asserting your needs in relationships feels harder than usual right now, and unresolved conflicts tend to resurface. Avoiding direct confrontation can build passive tension that eventually requires release. Honest conversations about what is and is not working in close partnerships are more useful now than they feel.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☐ Square ♅ Uranus

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

☉ Sun ☐ Square ♃ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

LUNAR DAY

Moon in ♈ Aries · Day 27 / 30 · Waning Crescent

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
