KEY TRANSIT FACTORS

♂ Mars ☐ Quincunx ♄ natal Saturn ★

Right now you feel caught between wanting to act and needing to hold back, which makes simple tasks feel awkward and **requires extra patience with yourself**. Your timing seems off in practical situations—you push forward when you should wait, or delay when speed matters—and this mismatch can frustrate you. Over the coming weeks, the best approach is to slow down and double-check your plans before moving forward, because your instincts are unreliable during this period.

♂ Mars ☐ Square ♁ natal Chiron ★

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

☾ Moon ☐ Square ♄ natal Saturn ★

Right now you feel **emotionally heavy and withdrawn**, as if your normal mood swings have turned sluggish and grey. You notice yourself avoiding people, cancelling plans, and sitting with feelings of inadequacy that feel hard to shake. Over the coming weeks, this low mood will likely push you to look honestly at what you actually need instead of what you think you should want.

♂ Mars ☐ Square ♀ natal Venus

Right now you're more likely to push people away when you want to pull them closer, because **your impulses feel sharp and your patience for nuance has disappeared**. If you're in a relationship, small disagreements can escalate quickly because you're expressing wants bluntly instead of listening to what the other person needs. Over the coming weeks, notice when you're acting on frustration rather than affection, because that awareness is what stops you from damaging something you actually care about.

♁ Chiron △ Trine ♀ natal Venus

You find it easier to talk about what you actually need from the people close to you without feeling guilty or defensive. Your **honesty about your own worth** comes across as calm instead of demanding, so others listen and respond well. Over the coming weeks, this directness helps you build relationships that feel more real because they're based on what you actually want, not what you think you should want.

☉ Sun ☐ Square ♁ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

› Moon Δ Trine ♂ Mars

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.

› Moon Δ Trine ♃ Jupiter

Right now you feel more **generous and open to others** than usual, and people pick up on that. You're more likely to say yes to plans, share what you have, and give people the benefit of the doubt. This is a practical time to strengthen relationships because you're not defensive or withdrawn.

LUNAR DAY

Moon in ♍ Virgo · Day 12 / 30 · Waxing Gibbous

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
