KEY TRANSIT FACTORS

☾ Moon ☿ Conjunction ☿ natal Mercury

Your thoughts feel more connected to what you're actually feeling right now, making conversations easier and more honest. You'll notice you're **talking more openly about personal things** and people seem to understand you better without needing explanations. Over the coming weeks, this natural flow between your mind and emotions will fade, so use it while you have it to sort out anything you've been holding back.

♂ Mars ☿ Quincunx ♂ natal Mars

Right now you're noticing that your usual way of getting things done feels slightly off, like you're taking an extra step to reach the same result. You might find yourself **adjusting your approach mid-action** — starting a task one way, then switching tactics because something doesn't quite fit. Over the coming weeks, this awkward rhythm will fade, but while it lasts you'll do better by checking in with yourself before committing fully to any plan.

♀ Venus ☿ Quincunx ☉ natal Sun

These days you feel **slightly out of sync with what you normally want**, making social and romantic situations feel awkward even when they shouldn't. You might attract attention from others but struggle to enjoy it the way you usually do, or find yourself wanting closeness while also wanting space. This mismatch between your confidence and your social comfort will ease once this period passes.

☉ Sun ♏ Semi sextile ☾ natal Moon

These days you find it easier to **say what you actually feel** instead of keeping things bottled up. Your emotional needs and what you want to communicate are working together smoothly, so people around you are more likely to hear you out. This is a good window to have conversations you have been putting off or to express something that matters to you.

♇ Pluto ☐ Square ☾ natal Moon

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

♀ Venus Rx · ♈ Aries

Relationships feel competitive or impatient right now, and old romantic patterns tend to resurface. Impulsive decisions about love, money, or self-presentation made during this period often need correction afterward. What feels like a fresh start now is more likely a return to something unresolved.

☉ Sun ♎ Trine ♇ Pluto

These days you find it easier to **face difficult truths about yourself without falling apart**. You can look at your mistakes and weaknesses directly, then decide what to actually change instead of avoiding the problem. This psychological clarity helps you make real improvements in how you work, relate to others, or handle money.

☉ Sun ☐ Square ♁ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

☾ Moon ☿ Quincunx ♀ Mercury

At the moment your *Moon* and *Mercury* are at odds, which makes it hard to say what you actually feel without overthinking it first. You might notice yourself **second-guessing your own reactions** or explaining your emotions in ways that don't quite fit the actual situation. This awkward angle between emotion and thinking tends to create mild frustration until you accept that some feelings just don't translate neatly into words.

LUNAR DAY

Moon in ♌ Leo · Day 11 / 30 · First Quarter

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
