KEY TRANSIT FACTORS

☉ Sun ☐ Square ♄ natal Saturn

Right now you're bumping up against your own limits, and it feels frustrating rather than motivating. You notice **resistance from authority figures or self-doubt blocking what you want to do**, and pushing harder only makes the friction worse. These few weeks ask you to slow down and work within real constraints instead of fighting them.

♄ Saturn ☐ Square ♁ natal NNode

Right now you feel **stuck between what you want to do and what you think you should do**, and this friction is making you second-guess your choices. People and situations are pushing back on your plans in ways that feel unfair, forcing you to slow down and reconsider directions you were confident about. Over the coming weeks, you'll need to do the harder work of proving to yourself—and others—that your choices actually matter, rather than just moving forward on assumption.

☉ Sun ☿ Quincunx ♁ natal Chiron

You are noticing where you usually feel competent but currently feel oddly off-balance or uncertain about how to proceed. This mismatch between what you know works and what feels right at the moment creates a **restless awareness** that something needs adjusting. Over the coming weeks you may find yourself reworking an approach or skill that has always been reliable, not because it is broken but because you sense it no longer fits who you are becoming.

♇ Pluto * Sextile ♁ natal Chiron

Right now you find it easier to **talk about past hurts without getting stuck in them**, which means conversations about difficult experiences feel less raw than usual. You're more willing to listen to other people's pain too, and they seem to respond by opening up to you in ways that deepen your relationships. Over the coming weeks, this natural confidence in handling hard topics gives you a practical advantage in resolving conflicts that have been hanging around.

♆ Neptune ☾ Opposition ♅ natal Uranus

Right now you are caught between wanting to break free and feeling too confused to know which way to go. Your usual ability to spot what needs to change is clouded by **vague doubts and second-guessing**, so you either act on half-formed ideas or freeze completely. Over the coming weeks, expect to feel frustrated with yourself for not moving forward, and frustrated with others for not understanding your sudden shifts in direction.

☉ Sun ☿ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

☉ Sun △ Trine † Chiron

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.

LUNAR DAY

Moon in ♌ Leo · Day 27 / 30 · Waning Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

CLOTHING & JEWELRY
