♏ North Node	in ♎ Libra	24°37'17"	VII Rx
♁ Lilith	in ♈ Aries	21°13'57"	I

## KEY TRANSIT FACTORS

### ♆ Neptune ☾ Opposition ♀ natal Venus

Right now you are **seeing your relationships and attractions through an unrealistic filter**, which makes you vulnerable to people who don't deserve your trust. You mistake confusion for depth and ignore practical red flags because you want to believe in a fantasy version of someone. Over the coming weeks, this cloudiness will cost you either through disappointment or poor choices you'll regret once clarity returns.

### ♇ Pluto \* Sextile ♏ natal NNode

Over the coming weeks, you find it easier to **let go of habits that no longer fit who you're becoming**. People respond to a quiet confidence in you right now, and you naturally attract opportunities that align with what you actually want. This is a good time to make practical changes to your life direction without overthinking them.

### ♂ Mars \* Sextile ☿ natal Mercury

Your thinking becomes **sharper and more direct** right now, and you find it easier to say what you actually mean without getting stuck in hesitation. You handle practical problems faster because your mind and your drive are working together instead of pulling in different directions. These days you're more likely to speak up in conversations, write that email you've been avoiding, or tackle a task that requires both quick thinking and real action.

### ♃ Jupiter ☾ Opposition ♂ natal Mars

These days you're more likely to overcommit and then resent the people asking things of you, even though you said yes. Your impatience is high and **you push hard on goals without checking if you're actually moving in the right direction**. Over the coming weeks, small frustrations pile up into real conflicts because you're acting faster than you're thinking.

### ♂ Mars ☽ Conjunction ♏ natal NNode

You are feeling **more willing to take action on things you normally hesitate about**, and this confidence is pulling you toward people and situations that match where you want to develop. Over the coming weeks, you may notice you're speaking up in meetings, starting conversations with new people, or pursuing opportunities you would usually pass on. This directness can open doors, but it can also create friction if you push too hard without checking whether others are actually ready to move at your pace.

### ☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

### ☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

### ☉ Sun ♂ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

## LUNAR DAY

Moon in ♌ Leo · Day 25 / 30 · Last Quarter

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

## CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Leo

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
