KEY TRANSIT FACTORS

♅ Uranus ☿ Quincunx ♆ natal Neptune

Over the coming weeks, you may notice your usual routines feel less satisfying or believable than before. You might find yourself questioning plans you thought were solid, or feeling restless about commitments that once felt safe. This **disconnect between what you expect and what actually holds your attention** can make it hard to stick with anything for long, so building in flexibility rather than fighting the feeling works better right now.

♂ Mars ☿ Quincunx ♁ natal Chiron

Right now you're more aware of old hurts when someone pushes back against you or challenges your plans. You might notice yourself **reacting defensively to minor criticism** that you'd normally brush off. Over the coming weeks, this clash between your assertiveness and your sensitivity gives you a chance to see where you need better boundaries instead of just withdrawing or fighting back.

♂ Mars ☐ Square ♄ natal Saturn

Right now you feel **blocked and frustrated** when you try to move forward on anything that matters to you. You push hard, but something keeps pushing back — maybe it's a person, a rule, or just bad timing — and the harder you try, the more stuck you feel. Over the coming weeks, you'll have to learn to work within limits instead of against them, or you'll burn yourself out for no gain.

☿ Mercury ☉ Opposition ☉ natal Sun

Over the coming weeks, you'll find your usual way of explaining yourself runs into brick walls with the people who matter most. **You say things that land poorly or come across as defensive even when you don't mean to.** This mismatch between what you're thinking and how others hear you creates real friction in conversations, especially at work or at home.

☉ Sun ☊ Trine ♃ natal Jupiter

Right now you find it easier to take reasonable risks and see possibilities instead of obstacles in your practical situations. You feel more confident in social settings and people respond well to your **natural optimism**, which makes conversations flow and opportunities show up. This period is ideal for pitching ideas, asking for what you want, or starting something new because your timing feels right and your judgment is solid.

♂ Mars Rx · ♍ Virgo

Critical energy turns inward during this period, and self-criticism tends to be more active than productive action. Health, daily routines, and work habits come under scrutiny in ways that may feel more burdensome than useful. Small consistent efforts now build toward genuine improvement more reliably than sweeping overhauls.

♄ Saturn Rx · ♎ Libra

Commitments, contracts, and relationship structures are being reviewed for their genuine fairness and sustainability. Long-standing agreements that have been tolerated rather than honored may surface for honest reassessment. This period asks you to hold yourself to the same standards you expect from others.

☉ Sun △ Trine ♄ Saturn

These days you find it easier to follow through on what you say you will do, and people notice your **reliability**. Work feels less overwhelming because you can break tasks into realistic steps instead of getting stuck in your own way. The practical support is there if you use it — the *Sun* trine *Saturn* makes real effort pay off in real results.

☉ Sun ∟ Semi sextile ♅ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

☉ Sun ☿ Conjunction ♆ Neptune

Right now your sense of what is real gets softer and less clear. You might find yourself **believing things without checking them first** or making decisions based on feelings instead of facts. This is a good time to notice when you are being vague or wishful, and to ask someone you trust whether your view of a situation actually matches what is happening.

LUNAR DAY

Moon in ♄ Capricorn · Day 26 / 30 · Last Quarter
