KEY TRANSIT FACTORS

☉ Sun △ Trine ♀ natal Venus

Right now you find it easier to like yourself and feel comfortable in your own skin, which naturally makes other people want to be around you more. You're less critical of your flaws and **more accepting of who you are**, so conversations flow better and you come across as genuinely relaxed instead of trying too hard. This period is ideal for repair work in relationships, starting something new socially, or simply enjoying the company of people you care about without the usual second-guessing.

♀ Venus qx Quincunx ♆ natal Neptune

Over the coming weeks, you may notice your romantic or social preferences shifting in ways that feel unclear to you. You might find yourself **attracted to people or situations that don't quite fit what you normally want**, leaving you uncertain about what you actually value right now. This confusion usually settles once the transit passes, so it helps to observe your attractions without making major relationship decisions while this lasts.

♆ Neptune ♂ Opposition ♇ natal Pluto

Over the coming weeks, you may find your usual sense of control slipping away in situations where you normally feel solid and decisive. You could experience **confusion about what you actually want** from important relationships or projects, making it hard to know whether to push forward or let things go. This fog typically clears once the aspect passes, but right now you are working with incomplete information and shadowy doubts that feel real enough to paralyse you.

♆ Neptune △ Trine ♆ natal Neptune

Your intuition about other people becomes unusually reliable right now, and you find yourself understanding what others need without them having to explain it. You're also more comfortable sitting with uncertainty in practical situations instead of rushing to solve everything immediately. These small shifts make your relationships feel easier and give you permission to trust your gut more than usual.

♃ Jupiter * Sextile ☾ natal Moon

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

♂ Mars Rx · ♍ Virgo

Critical energy turns inward during this period, and self-criticism tends to be more active than productive action. Health, daily routines, and work habits come under scrutiny in ways that may feel more burdensome than useful. Small consistent efforts now build toward genuine improvement more reliably than sweeping overhauls.

♄ Saturn Rx · ♎ Libra

Commitments, contracts, and relationship structures are being reviewed for their genuine fairness and sustainability. Long-standing agreements that have been tolerated rather than honored may surface for honest reassessment. This period asks you to hold yourself to the same standards you expect from others.

☉ Sun ☌ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☾ Moon ☌ Quincunx ♃ Jupiter

These days your feelings and your practical plans don't quite line up, so you end up second-guessing yourself more than usual. You might feel **restless or dissatisfied** even when things are going reasonably well, because part of you wants something bigger while another part knows the timing isn't right. This mismatch between what you want emotionally and what you can actually do creates an awkward pressure that pushes you to make small adjustments rather than major moves.

LUNAR DAY

Moon in ♎ Libra · Day 15 / 30 · Waxing Gibbous

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.

CLOTHING & JEWELRY
