## KEY TRANSIT FACTORS

### ♃ Jupiter ☐ Square ☾ natal Moon

Right now you feel **emotionally restless and dissatisfied** with situations that normally comfort you, like time with family or your home routine. You might overcommit yourself or make promises you cannot keep because your judgment about what you can actually handle is off. Over the coming weeks, this mismatch between what you want and what is realistic creates friction in your personal relationships and leaves you feeling bloated rather than nourished.

### ♀ Venus ☍ Opposition ♆ natal Neptune

While this lasts, you're drawn to people and situations that seem perfect but don't match reality, leaving you disappointed and confused about what went wrong. Your judgment about who to trust or how much to invest emotionally becomes cloudy, so you make choices you later regret. Over the coming weeks, the practical solution is to slow down before committing to anything — wait until this period ends to make real decisions about relationships or money.

### ♀ Venus △ Trine ♇ natal Pluto

Right now you're drawn to people and situations that feel genuinely authentic, and others pick up on this **magnetic honesty** in how you show up. Your practical ability to read what someone really needs, beneath the surface, makes your relationships deepen without effort. Over the coming weeks, this natural pull toward real connection can help you attract people or opportunities that actually align with who you are.

### ☾ Moon ∟ Semi sextile ♀ natal Venus

Right now you find it easier to **say what you appreciate about the people around you**, and they respond well to it. Your relationships feel a bit lighter because you're noticing the good things instead of focusing on problems. This natural warmth lasts only a few weeks, so it's a good time to strengthen bonds that matter to you.

### ♂ Mars ☍ Opposition ♃ natal Jupiter

Right now you're likely to **overestimate what you can handle** and push too hard on multiple fronts at once. You feel driven to act on every impulse and opportunity, but this usually leads to scattered effort and exhaustion rather than real progress. Over the coming weeks, the gap between your confidence and your actual capacity becomes the main problem you're working against.

### ♄ Saturn **Rx** · ♏ Scorpio

Deep psychological structures — the ways you manage power, control, and shared resources — are under quiet but significant review right now. Commitments made at depth, financial obligations, or emotional contracts with others demand careful attention. Unacknowledged patterns of control or avoidance are being surfaced for honest examination.

### ☉ Sun ☌ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

### › Moon ☾ Semi sextile ♃ Jupiter

These days you feel a bit more generous with yourself and others, which makes social situations feel easier and less forced. You're noticing small good things around you more readily, and this **gentle optimism** makes it simpler to ask for help or offer support without overthinking it. The *Moon* and *Jupiter* connection right now creates a quiet permission to be a little kinder to yourself about your limitations.

### › Moon ☾ Opposition ♇ Pluto

At the moment, you feel **emotionally defensive** about things you normally keep private, and small comments from others can trigger a disproportionate reaction. The *Moon* opposition *Pluto* brings up buried feelings and makes you suspicious that people want to control or manipulate you, even when they do not. These days, your mood swings are sharper, and you may push away someone close to you just to prove you are not dependent on them.
