KEY TRANSIT FACTORS

♂ Mars ☐ Square ♁ natal Chiron ★

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

♅ Uranus ☾ Opposition ♁ natal NNode

You feel pulled away from the people and commitments that usually ground you, and this creates real friction in your relationships and work life. Your instinct right now is to **break free from obligations**, but the timing often catches others off guard, leaving them confused or hurt. Over the coming weeks, you will have to choose between your need for independence and the practical consequences of abandoning plans that matter to the people around you.

☉ Sun ∟ Semi sextile ♄ natal Saturn

These days you find it easier to **follow through on commitments** without feeling weighed down by them. Your sense of responsibility feels less like a burden and more like something you can actually manage. This lighter touch with structure means you get things done while still leaving room to enjoy yourself.

♇ Pluto ∟ Semi sextile ♄ natal Saturn

These days you find it easier to **follow through on commitments** without overthinking or second-guessing yourself. A practical focus comes naturally to you right now, and you notice you can break larger goals into manageable steps without getting bogged down. This period supports steady progress on anything you've been putting off, especially projects that require discipline and careful planning.

♀ Venus ∟ Semi sextile ♁ natal Chiron

Over the coming weeks, you find yourself **more willing to talk about things that usually embarrass you**, and people respond with real kindness instead of judgment. Small acts of self-care start feeling less like indulgence and more like basic respect for yourself. This gentle period gives you a chance to practice being honest about your needs without shame getting in the way.

☉ Sun ☿ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.
