KEY TRANSIT FACTORS

♃ Jupiter * Sextile ☾ natal Moon

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

☉ Sun ♂ Opposition ♀ natal Venus

Right now you are more critical of the people close to you and harder to please in your relationships. You might push away someone who genuinely cares about you because you're noticing all their flaws instead of their good qualities. This **temporary harshness** in how you judge others can create distance that takes real effort to repair once this period passes.

♀ Venus ♀ Quincunx ♃ natal Jupiter

Over the coming weeks, you may find yourself **wanting more from your relationships and social life than feels comfortable to ask for**. You notice a mismatch between what you hope for and what you're actually willing to pursue, leaving you feeling a bit stuck in conversations or plans. This awkward feeling typically passes once you decide what you actually want instead of waiting for the perfect moment.

♊ NNode * Sextile ☉ natal Sun

Over the coming weeks, you find it easier to **say yes to opportunities that actually fit who you are**. People seem to notice your confidence and invite you into situations where you can be yourself without pretending. This is a practical window to take on roles or projects that match your actual strengths rather than what you think you should be doing.

♁ Chiron ♀ Quincunx ♆ natal Neptune

Right now you are noticing gaps between what you believe about yourself and how you actually behave in stressful moments. You might find yourself **acting more defensively or withdrawn than you expect**, especially when someone questions your motives or judgment. These days the disconnect feels awkward rather than painful, but it is pushing you to pay closer attention to where your ideals do not match your real actions.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ∟ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

› Moon ☌ Conjunction ♁ NNode

These days you feel **drawn toward people and situations that feel familiar or emotionally safe**. You're more likely to reach out to family or old friends, and you notice you care more about belonging than usual. This is a good time to listen to what your gut tells you about which relationships actually matter to you.

LUNAR DAY

Moon in ♋ Cancer · Day 12 / 30 · Waxing Gibbous

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.
