## KEY TRANSIT FACTORS

### ♁ Chiron ∟ Semi sextile ☾ natal Moon ★

These days you find it easier to **talk about your feelings without getting stuck in them**, which helps you connect with people who matter to you. Your emotional vulnerabilities feel less like private wounds and more like honest things worth sharing. Over the coming weeks, this gentle openness tends to draw supportive responses from others, making your relationships feel more real and less lonely.

### ♀ Venus ◻ Square ☉ natal Sun

Right now you feel **less attractive and less sure of yourself** than usual, which makes social situations feel awkward instead of enjoyable. You may notice that people are not responding to you the way they normally do, or that you are picking fights over small things in your close relationships. This friction is temporary, but while it lasts, you will need to be more intentional about how you show up around others instead of relying on your usual charm.

### ☿ Mercury \* Sextile ☾ natal Moon

Over the coming weeks, you find it much easier to **say what you actually mean without overthinking it**. Your conversations flow naturally and people respond well because you're expressing yourself clearly and with genuine warmth. This is a practical window to have important talks or sort out misunderstandings that have been sitting with you.

### ♅ Uranus ◻ Square ♀ natal Venus

You feel restless in your relationships and uncomfortable with routines that used to feel safe. Your usual way of connecting with others — whether through affection, commitment, or predictable gestures — suddenly feels **restrictive and inauthentic**. Over the coming weeks, you may push back against people who want things to stay the same, or you might suddenly distance yourself from relationships that feel too settled.

### ♁ Chiron △ Trine ♀ natal Venus

You find it easier to talk about what you actually need from the people close to you without feeling guilty or defensive. Your **honesty about your own worth** comes across as calm instead of demanding, so others listen and respond well. Over the coming weeks, this directness helps you build relationships that feel more real because they're based on what you actually want, not what you think you should want.

### ☉ Sun ♂ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

### ☉ Sun ☌ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

### ☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.
