KEY TRANSIT FACTORS

☾ Moon □ Square ♄ natal Saturn ★

Right now you feel **emotionally heavy and withdrawn**, as if your normal mood swings have turned sluggish and grey. You notice yourself avoiding people, cancelling plans, and sitting with feelings of inadequacy that feel hard to shake. Over the coming weeks, this low mood will likely push you to look honestly at what you actually need instead of what you think you should want.

☾ Moon ∟ Semi sextile ♀ natal Venus

Right now you find it easier to **say what you appreciate about the people around you**, and they respond well to it. Your relationships feel a bit lighter because you're noticing the good things instead of focusing on problems. This natural warmth lasts only a few weeks, so it's a good time to strengthen bonds that matter to you.

♃ Jupiter △ Trine ♃ natal Jupiter

While this lasts, you feel naturally **confident in your own judgment**, and opportunities tend to show up without you forcing them. People respond well to you right now because you're genuinely relaxed about where things are headed. Over the coming weeks, trust your instincts about what's worth your time—your sense of what matters is especially clear.

♆ Neptune qx Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **your usual methods for handling difficult situations stop working quite the way they used to**. You might feel unsure about how much control you actually have in situations that once seemed straightforward, and old strategies for dealing with pressure start to feel off somehow. This is a practical adjustment period where you'll need to experiment with different approaches rather than pushing harder with the ones you know.

♅ Uranus qx Quincunx ♃ natal Jupiter

Over the coming weeks, you feel restless about plans or beliefs that used to satisfy you, and you may suddenly want to change direction even though you have not finished what you started. Your **impatience with the status quo** makes it hard to stick with practical commitments or long-term goals that require steady effort. The mismatch between your urge for something new and your actual responsibilities can leave you feeling scattered, so it helps to write down what you genuinely want before you act.

☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☾ Moon □ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

♀ Venus * Sextile ♃ Jupiter

Right now you're more likely to say yes to invitations and feel genuinely interested in other people, which makes conversations easier and more enjoyable for everyone around you. You experience a natural **generosity** where spending money on yourself or others feels less stressful, and you're not ruminating about small social mistakes the way you normally might. This period brings a practical boost to your social and financial life—people respond better to you, opportunities appear more straightforward, and you handle disappointment with actual resilience instead of frustration.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

Moon in ♍ Virgo · Day 8 / 30 · First Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
