KEY TRANSIT FACTORS

♊ NNode ☉ Opposition ☿ natal Mercury

Right now you find yourself **saying things that confuse or upset people** even when you do not intend to. Your usual way of explaining yourself is not landing the way it normally does, and you keep having to backtrack or clarify what you meant. Over the coming weeks, this friction in how you communicate may force you to slow down and actually listen to what others need to hear instead of just what feels natural to say.

♆ Neptune ☿ Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **your usual methods for handling difficult situations stop working quite the way they used to**. You might feel unsure about how much control you actually have in situations that once seemed straightforward, and old strategies for dealing with pressure start to feel off somehow. This is a practical adjustment period where you'll need to experiment with different approaches rather than pushing harder with the ones you know.

♊ NNode ♌ Trine ♋ natal NNode

Right now you find yourself **naturally moving toward people and situations that feel right for you**, without having to force or overthink the decision. You meet someone useful or stumble into an opportunity that aligns with what you actually want to be doing. This period supports you in following your instincts about where to put your effort, and doors tend to open when you do.

♃ Jupiter ☉ Conjunction ☿ natal Mercury

You're thinking more expansively right now and your mind feels faster than usual. You're likely talking more, asking bigger questions, and finding it easier to explain your ideas to others. This is a good window to pitch a proposal, write something you've been putting off, or have conversations you've been avoiding because your confidence in what you're saying is genuinely higher.

♇ Pluto ☐ Square ♆ natal Neptune

Over the coming weeks, you may find it harder to trust your own intuition and judgment because reality keeps contradicting what you thought you understood. **You question everything you believed about people and situations**, which leaves you feeling unstable and uncertain about what is actually true. This period asks you to rebuild your sense of what is real by paying close attention to facts instead of relying on hopes or assumptions.

♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

☉ Sun ♌ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. Sun square Jupiter pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

LUNAR DAY

Moon in ♋ Pisces · Day 9 / 30 · First Quarter

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
