## KEY TRANSIT FACTORS

### ♄ Saturn \* Sextile ♁ natal Chiron \*

Over the coming weeks, you find it easier to **talk about things that usually feel too painful or awkward** without getting overwhelmed. Your practical side is more active right now, so you can actually do something about problems instead of just thinking about them. This is a good window to seek help, set boundaries, or take a small step toward fixing something you've been avoiding.

### ♄ Saturn △ Trine ♀ natal Venus \*

These days you're able to be **honest about what you actually want in relationships** without needing to please everyone or soften the truth. You find it easier to set practical boundaries with people and stick to them, because you're not second-guessing your own needs. This period gives you a real advantage in building connections that feel genuine instead of performative, so you can invest your emotional energy where it actually matters.

### ♃ Jupiter ♂ Conjunction ♀ natal Venus

Over the coming weeks, you're more **generous with your time and attention**, and people respond by wanting to be around you more often. You feel less critical of yourself and others, which makes social situations feel easier and less exhausting. This is a practical window to deepen relationships or make a good impression, since you're naturally more likeable right now.

### ♂ Mars □ Square ♂ natal Mars

Right now you feel **irritable and quick to react** to small frustrations that normally wouldn't bother you. Your impatience makes it hard to work through tasks methodically, and you might snap at people or rush into decisions you later regret. This friction between what you want to do immediately and what actually needs doing tends to create conflict at work and at home over the coming weeks.

### ♁ NNode ♂ Opposition ♀ natal Venus

Over the coming weeks you are likely to feel **disconnected from what you usually enjoy** and from the people who matter to you. Activities that normally please you may feel empty, and you might pull away from social situations or intimate moments without fully understanding why. This friction between what you want to give in relationships and what you actually want for yourself will push you to figure out what you really value, though the process feels uncomfortable right now.

### ☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

### ☾ Moon \* Sextile ♃ Uranus

These days you feel more willing to try something different without the usual fear holding you back. Your emotional reactions are quicker and sharper, letting you spot solutions that seem obvious once you see them. **You act on impulses in practical ways** — calling someone you've been meaning to reach out to, rearranging your space, or saying what you actually think — and it lands well with people around you.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

## LUNAR DAY

---

Moon in ♌ Leo · Day 8 / 30 · First Quarter

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

## CLOTHING & JEWELRY

---

Wednesday · ♿ Mercury · Venus in Leo

Wednesday answers to Mercury — bright yellow, amber, or golden tones sharpen the mind. Tiger's eye as a bracelet or pocket stone supports communication and mental clarity.
