KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♀ natal Venus ★

Right now your emotional needs and what you want from relationships are pulling in different directions, and you feel the mismatch. You might feel **restless in social situations** or notice you're not getting satisfaction from the usual things that comfort you. Over the coming weeks, this awkwardness will fade, but for now it's worth noticing what feels off instead of forcing connection.

☾ Moon ☿ Quincunx ♂ natal Uranus ★

While this lasts, you feel **restless in situations that normally feel comfortable**, and small changes in your routine bother you more than usual. Your mood swings between wanting everything to stay exactly the same and suddenly wanting to shake things up completely. These contradictory impulses can leave you feeling unsettled, so notice when you're reacting to actual problems versus just needing to move your body or change your environment.

☾ Moon ♎ Semi sextile ♁ natal Chiron ★

Right now you find it easier to talk about things that usually embarrass or hurt you, and people respond with genuine understanding instead of judgment. Your **willingness to be honest about your struggles** creates real connection with others who have felt the same way. Over the coming weeks, this openness helps you move past old shame without needing to overthink it.

☉ Sun ♂ Opposition ♄ natal Saturn

These days you feel **blocked by your own limits**, as if every move requires twice the effort it normally would. Authority figures or rules that you usually accept without thinking suddenly feel like they are in your way, and you may push back harder than makes practical sense. Over the coming weeks, frustration with your own responsibilities will peak, and you'll need to decide whether to work within constraints or exhaust yourself fighting them.

☉ Sun ♌ Trine ♁ natal Chiron

Right now you find it easier to talk about past hurts without becoming defensive or withdrawn. You're **more willing to listen to feedback** about your weak spots and actually do something practical with it. These few weeks are a good window to work on old patterns that usually trip you up, since you're approaching them with less shame and more actual curiosity.

☿ Mercury Rx · II Gemini

Information overload and communication mix-ups are more likely right now than at other times. You may find yourself re-reading, misunderstanding, or having to repeat conversations that should have been straightforward. Slow down with written communications in particular — errors sneak through when you feel most certain.

♀ Venus Rx · II Gemini

Social connections from the past resurface and existing relationships require more honest communication than usual. Flirtation and surface-level charm lose their usual effect during this period. What you actually want from relationships — rather than what seems appealing — becomes clearer if you pay attention.

☉ Sun ☿ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. Sun square Jupiter pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

☾ Moon △ Trine ♃ Jupiter

Right now you feel more **generous and open to others** than usual, and people pick up on that. You're more likely to say yes to plans, share what you have, and give people the benefit of the doubt. This is a practical time to strengthen relationships because you're not defensive or withdrawn.
