KEY TRANSIT FACTORS

♂ Mars ☿ Quincunx ♄ natal Saturn ★

Right now you feel caught between wanting to act and needing to hold back, which makes simple tasks feel awkward and **requires extra patience with yourself**. Your timing seems off in practical situations—you push forward when you should wait, or delay when speed matters—and this mismatch can frustrate you. Over the coming weeks, the best approach is to slow down and double-check your plans before moving forward, because your instincts are unreliable during this period.

♂ Mars ☐ Square ♁ natal Chiron ★

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

☿ Mercury ☍ Opposition ♃ natal Jupiter

You're saying more than you mean to right now, and people are taking your words literally when you're just thinking out loud. Your **tendency to exaggerate or overstate** what you actually know is getting you into awkward conversations. Over the coming weeks, watch yourself before you commit to big claims or make promises you haven't thought through completely.

♂ Mars ☐ Square ♀ natal Venus

Right now you're more likely to push people away when you want to pull them closer, because **your impulses feel sharp and your patience for nuance has disappeared**. If you're in a relationship, small disagreements can escalate quickly because you're expressing wants bluntly instead of listening to what the other person needs. Over the coming weeks, notice when you're acting on frustration rather than affection, because that awareness is what stops you from damaging something you actually care about.

♃ Jupiter ∟ Semi sextile ♁ natal NNode

Over the coming weeks, you find yourself **naturally gravitating toward people and situations that align with what you actually want**. Small opportunities appear that feel less forced than usual, and you notice you say yes to invitations or ideas without overthinking them. This isn't luck so much as you being more willing to take a chance on something that feels right, even if you can't fully explain why.

☿ Mercury Rx · ♈ Aries

Communication gets impulsive and then regretted during this period. You may speak before thinking, send messages in haste, or make decisions based on incomplete information. Revisiting plans rather than rushing forward is more productive than it feels right now.

♃ Jupiter Rx · ♏ Scorpio

Expansion in areas involving depth, transformation, and shared resources pauses for honest reassessment right now. Past investments — financial, emotional, or psychological — return to attention and require evaluation. Research and deeper understanding serve you better during this period than new initiatives.

☉ Sun ☌ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

☉ Sun ☌ Conjunction ♄ Chiron

At the moment, you're more aware of your own weak spots and how they show up in everyday life. You might feel less confident than usual, or notice old patterns of self-doubt coming up without much warning. This is actually useful because **you can see yourself more clearly right now** — the discomfort is pointing you toward something real that deserves attention.
