KEY TRANSIT FACTORS

♀ Venus ☍ Opposition ♄ natal Saturn

Right now you feel **rejected or less attractive**, even when that is not actually happening around you. Your self-doubt makes you withdraw from social situations or pull back from people you care about. Over the coming weeks, this pattern can become self-fulfilling unless you recognize that your fear of rejection is doing the rejecting for you.

♊ NNode ☐ Square ☾ natal Moon

You are feeling **emotionally pulled in two directions** right now, wanting to stay comfortable while something pushes you toward unfamiliar social or practical territory. Your gut reactions clash with what people around you seem to expect, leaving you irritable and confused about what you actually need. Over the coming weeks, you will have to choose between repeating old emotional patterns or accepting that some relationships and routines no longer fit who you are becoming.

♆ Neptune △ Trine ♅ natal Uranus

You find yourself **more willing to experiment with unconventional ideas** without the usual anxiety that normally holds you back. Your imagination is practical right now, which means you can actually turn creative impulses into something real instead of dismissing them as too strange or risky. Over the coming weeks, you'll notice you're more comfortable being yourself in social situations and less concerned with fitting into what others expect.

☾ Moon * Sextile ♀ natal Venus

While this lasts, you find it easier to express affection and say what you actually appreciate about people in your life. Your **warmth comes across naturally**, and others respond well to you without you having to try hard. These days are good ones to reach out to someone you care about or do something kind that you have been putting off.

☿ Mercury ∟ Semi sextile ♇ natal Pluto

While this lasts, you naturally ask better questions when something feels off, and people respond by being more honest with you. Your mind works at **spotting what's really going on beneath the surface**, whether in a conversation or a situation, without needing to force it. This gives you an edge in problem-solving and helps you understand others more clearly over the coming weeks.

♃ Jupiter Rx · ♏ Scorpio

Expansion in areas involving depth, transformation, and shared resources pauses for honest reassessment right now. Past investments — financial, emotional, or psychological — return to attention and require evaluation. Research and deeper understanding serve you better during this period than new initiatives.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun △ Trine ♃ Jupiter

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

LUNAR DAY

Moon in ♎ Libra · Day 8 / 30 · First Quarter

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.

CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in Leo

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
