## KEY TRANSIT FACTORS

### ☾ Moon \* Sextile ♇ natal Pluto

Right now you find it easier to talk about things that usually feel too difficult or personal. Your **willingness to be honest** about what you actually feel creates real connection with the people around you. Over the coming weeks, this openness helps you work through old emotional patterns without getting stuck in them.

### ♀ Venus □ Square ☾ natal Moon

Right now you're more critical of the people close to you, especially about how they show affection or support you. You might push away someone who's trying to help because you **feel disconnected from what they're offering**, even if it's genuinely good. This frustration can make you withdraw or say things you regret, so it helps to notice when you're in this mood before you act on it.

### ♄ Saturn ☾ Opposition ♁ natal Chiron

Right now you are running into hard limits on what you can do to help or fix things for people around you, and it feels like failure. You keep trying to solve problems that aren't yours to solve, and **reality is pushing back harder than usual**. Over the coming weeks, you'll need to accept that some pain in your life or others' lives cannot be managed away, no matter how skilled you are at it.

### ☾ Moon △ Trine ♆ natal Neptune

Your **imagination feels more accessible right now**, and creative ideas come to you more easily than usual. You're also more **attuned to what people around you need emotionally**, picking up on moods and unspoken feelings without effort. These days your intuition works in your favour, especially when you're making decisions or trying to understand a difficult situation.

### ♁ Chiron \* Sextile ♀ natal Venus

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

### ☉ Sun ∠ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ☐ Square ♆ Neptune

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.

☿ Mercury ☌ Conjunction ☌ Mars

These days you're more likely to say what you think without much filtering, and conversations tend to get direct or heated faster than usual. People around you will notice you're **quicker to react and slower to pause** before speaking, which can clear the air or create friction depending on the situation. This is a good window for handling practical problems that need blunt talk, but a risky one if you're trying to smooth things over or keep peace.

Moon in ♋ Cancer · Day 28 / 30 · Waning Crescent
