## KEY TRANSIT FACTORS

### ♇ Pluto \* Sextile ♁ natal NNode · peak 24 Dec

Over the coming weeks, you find it easier to **let go of habits that no longer fit who you're becoming**. People respond to a quiet confidence in you right now, and you naturally attract opportunities that align with what you actually want. This is a good time to make practical changes to your life direction without overthinking them.

### ♁ Lilith ♂ Conjunction ☿ natal Mercury · peak 12 Dec

These days you're more likely to say things you'd normally keep to yourself, especially opinions you've avoided expressing before. Your conversations tend toward uncomfortable truths or taboo subjects, and you may notice people react with surprise or defensiveness to your directness. This **blunt honesty** can clear the air or create friction depending on who you're talking to, but either way you're not interested in polite small talk while this lasts.

### ♆ Neptune ∟ Semi sextile ☾ natal Moon · peak 1 Dec

These days you notice **softer feelings** about situations that normally upset you, making it easier to let minor annoyances pass without reaction. Your emotional responses feel less sharp while *Neptune* supports your *Moon*, and you find yourself more willing to give people the benefit of the doubt. This period is good for noticing what actually matters to you emotionally rather than defaulting to old defensive patterns.

### ♃ Jupiter □ Square ♅ natal Uranus · peak 31 Dec

You're feeling restless and impatient with your usual routines, and you're more likely to make sudden decisions without thinking through the consequences. **Your need for freedom is clashing with your responsibilities**, making it hard to stick to commitments or plans. Over the coming weeks, you may experience practical disruptions—cancelled plans, unexpected changes, or your own impulsive actions—that force you to rebuild some stability afterward.

### ♄ Chiron ♂ Quincunx ♇ natal Pluto · peak 31 Dec

You feel pulled between wanting to fix something about yourself and realizing you can't force the change right now. This mismatch shows up as **restlessness in situations where you normally feel in control**, whether at work or in close relationships. Over the coming weeks, the discomfort itself is actually useful—it's pointing you toward a part of your life that needs a different approach than you've been taking.

### ♇ Pluto △ Trine ☿ natal Mercury · peak 31 Dec

Your mind becomes unusually clear about problems you've been turning over for months, and you find yourself able to talk about difficult topics without getting defensive. These days you're **cutting through confusion** and saying what you actually mean, which helps other people understand you better. Over the coming weeks this clarity gives you real confidence in decisions you've been postponing.

### ♄ Chiron ☐ Square ♃ natal Neptune · peak 31 Dec

Right now you are **more aware of where you have been avoiding hard truths** about yourself or others, and that awareness is uncomfortable. You may find yourself second-guessing your own perceptions or feeling confused about what you actually believe versus what you wanted to believe. These days this friction between reality and your preferred stories is forcing you to look at situations more honestly, even though the looking itself feels harsh.

### ♅ Uranus ♀ Opposition ☉ natal Sun · peak 1 Dec

Right now you feel restless with who you've become and **struggle to act like yourself** in situations where you normally feel confident. People around you might push back or seem surprised by your sudden shifts in opinion and behaviour. Over the coming weeks, your sense of direction gets shaky because your usual identity markers no longer feel solid or reliable.

### ♆ Neptune ♀ Opposition ♀ natal Venus · peak 31 Dec

Right now you are **seeing your relationships and attractions through an unrealistic filter**, which makes you vulnerable to people who don't deserve your trust. You mistake confusion for depth and ignore practical red flags because you want to believe in a fantasy version of someone. Over the coming weeks, this cloudiness will cost you either through disappointment or poor choices you'll regret once clarity returns.

### ♄ Chiron ☐ Square ♃ natal Jupiter · peak 1 Dec

Over the coming weeks, your usual confidence in your abilities hits a wall, and you find yourself **doubting decisions you'd normally make without hesitation**. You may overcommit to plans or promises, then realize halfway through that you lack the resources or energy to follow through, leaving you feeling stretched thin. The mismatch between what you think you can do and what actually works in practice becomes impossible to ignore, forcing you to get honest about your real limits.

### ♃ Jupiter \* Sextile ☉ natal Sun · peak 1 Dec

These days you feel more **confident in yourself** and people around you seem to notice it too. You're more willing to take on new projects or speak up in situations where you'd normally hold back, and things tend to work out better than expected. This period is ideal for asking for what you want—whether that's at work, in relationships, or for a personal goal—because you're coming across as genuinely assured rather than pushy.

### ♆ Neptune ♀ Opposition ♅ natal Uranus · peak 1 Dec

Right now you are caught between wanting to break free and feeling too confused to know which way to go. Your usual ability to spot what needs to change is clouded by **vague doubts and second-guessing**, so you either act on half-formed ideas or freeze completely. Over the coming weeks, expect to feel frustrated with yourself for not moving forward, and frustrated with others for not understanding your sudden shifts in direction.

### ♃ Jupiter △ Trine ☾ natal Moon · peak 31 Dec

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

### ♇ Pluto ☐ Quincunx ♂ natal Mars · peak 1 Dec

Your usual way of handling conflict or pushing toward goals feels slightly off these days, as if your normal tactics are meeting unexpected resistance. You might notice yourself **second-guessing your approach** to situations where you'd normally act with confidence, or finding that direct methods don't produce the results you expect. Over the coming weeks, the practical adjustment you need is to slow down and observe what actually works rather than forcing your preferred solution.

### ♄ Saturn ♂ Conjunction ♅ natal Uranus · peak 1 Dec

Right now you feel **caught between wanting to break free and needing to be responsible** about it. You're more aware of the rules and limits around you, which makes any impulsive urge to rebel feel heavier or less appealing. Over the coming weeks, this usually shows up as delayed or reconsidered decisions rather than sudden change.

### ♃ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

### ♂ Mars Rx · ♉ Taurus

Motivation runs slower and more stubborn than usual during this period. Physical energy is inconsistent and the desire to maintain existing routines outweighs any push toward change. Patience with your own pace matters more than forcing output that the body or circumstances are not ready for.

### ♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

## KEY DATES

---

**Thu, 1 Dec** ♅ Uranus ♁ Opposition ☉ natal Sun

**Fri, 2 Dec** New Moon in Sagittarius

**Sun, 4 Dec** ☿ Mercury stations Direct

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

**Tue, 6 Dec** ♄ Chiron enters ♒ Aquarius

*Chiron* entering *Aquarius* brings a shift in how people **notice and fix what feels broken** in groups, teams, and systems that don't work right. At work and in friendships, you'll see more **direct conversation about differences** instead of pretending everything's fine, and people become **less patient with outdated rules** that don't make sense anymore. Over the next eight years, the pattern is that **healing happens through honesty and change** rather than through smoothing things over or keeping the peace.

**Sat, 10 Dec** ♂ Mars stations Direct

*Mars* stationing direct means **energy and drive return** after weeks of stalling, so projects you've been stuck on suddenly feel **pushable forward** again. The pattern is clearer now — you notice what actually works versus what was just spinning wheels, and **decisions become easier** because the confusion lifts. In practice, this is when people stop second-guessing themselves about what they want, start **acting on plans** they've been holding, and arguments that felt circular finally move toward resolution or a clean break.

**Sun, 11 Dec** ♇ Pluto ✳ Sextile ♃ natal NNode

**Mon, 12 Dec** ♁ Lilith ☿ Conjunction ☿ natal Mercury

♅ Uranus ♁ Opposition ☉ natal Sun

**Tue, 13 Dec** ☿ Mercury enters ♐ Sagittarius

*Mercury* in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

**Thu, 15 Dec** Full Moon in Gemini

**Fri, 16 Dec** ♀ Venus enters ♒ Aquarius

*Venus* in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

**Mon, 19 Dec** ♁ Lilith ☿ Conjunction ☿ natal Mercury

---

**Thu, 22 Dec** ☉ Sun enters ♑ Capricorn

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Sat, 24 Dec** ♀ Venus stations Retrograde

♅ Pluto ✳ Sextile ♁ natal NNode

*Venus* stationing retrograde often brings **delayed decisions** in relationships and money — you might feel unsure about commitments or put off purchases you normally wouldn't hesitate on. People commonly **reconnect with exes** during this period, or **revisit old financial choices** that didn't sit right the first time. *Venus* retrograde tends to slow down **new relationships and deals**, so timing matters more than usual — what feels stuck now often moves again once the planet shifts direct.
