#### KEY TRANSIT FACTORS

##### ♄ Saturn △ Trine ♀ natal Venus · peak 25 Mar ★

These days you're able to be **honest about what you actually want in relationships** without needing to please everyone or soften the truth. You find it easier to set practical boundaries with people and stick to them, because you're not second-guessing your own needs. This period gives you a real advantage in building connections that feel genuine instead of performative, so you can invest your emotional energy where it actually matters.

##### ♄ Saturn □ Square ☾ natal Moon · peak 1 Mar ★

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

##### ♄ Saturn ★ Sextile ♄ natal Chiron · peak 25 Mar ★

Over the coming weeks, you find it easier to **talk about things that usually feel too painful or awkward** without getting overwhelmed. Your practical side is more active right now, so you can actually do something about problems instead of just thinking about them. This is a good window to seek help, set boundaries, or take a small step toward fixing something you've been avoiding.

##### ♇ Pluto qx Quincunx ♀ natal Venus · peak 8 Mar

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

##### ♅ Uranus ★ Sextile ♄ natal Chiron · peak 20 Mar

You find it easier right now to talk about past difficulties without getting stuck in them, and people actually listen differently when you do. Your **ability to explain what hurt you in a practical way** opens doors to real conversations instead of arguments. This period gives you a chance to turn old pain into something useful that helps both you and others move forward.

##### ♊ NNode △ Trine ♂ natal Mars · peak 8 Mar

Right now you're finding it easier to take direct action on things that matter to you, and people respond well to your straightforward approach. Your **confidence and willingness to speak up** feel natural rather than forced, making it simpler to pursue what you actually want instead of holding back. Over the coming weeks, you're likely to move forward on goals or conversations you've been sitting on, and the timing works in your favour.

#### ♅ Uranus △ Trine ♄ natal Saturn · peak 17 Mar

Right now you can spot problems in your routines and systems without getting defensive about changing them. You feel **willing to experiment with practical improvements** while keeping what actually works. This is a rare window where your instinct for stability supports your curiosity about doing things differently.

#### ♄ Chiron \* Sextile ♂ natal Mars · peak 27 Mar

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

#### ♃ Jupiter □ Square ♄ natal Saturn · peak 2 Mar

Right now you're caught between wanting to expand and feeling held back by practical limits. You may **overcommit yourself** and then run into real obstacles that force you to cut back, leaving you frustrated. These next weeks will test whether you can push forward responsibly or if you'll waste energy fighting against real constraints.

#### ♃ Jupiter ∟ Semi sextile ♀ natal Venus · peak 18 Mar

Over the coming weeks, you find it easier to say yes to social invitations and to express what you actually like about the people around you. **You're more generous with compliments and attention**, which tends to make conversations warmer and more genuine. This small shift in how you show up socially often leads to better connections and a quiet sense of contentment in your relationships.

#### ♃ Jupiter ♁ Quincunx ♄ natal Chiron · peak 1 Mar

You find yourself **overestimating what you can help others fix**, especially in situations where someone else needs to do their own work. Your confidence in giving advice or support grows, but you often miss the signs that people need to figure things out themselves. Over the coming weeks, you may feel frustrated when your generous efforts don't produce the results you expected.

#### ♄ Lilith ♂ Conjunction ♃ natal NNode · peak 31 Mar

Right now you're more willing to question social rules and expectations that don't actually fit who you are. You might feel **restless with routines or relationships that require you to stay small**, and you're less likely to apologize for taking up space or speaking up. This period invites you to notice which boundaries you've kept out of habit rather than genuine choice, though acting on that awareness requires thought and timing.

#### ♃ Jupiter ♁ Opposition ☾ natal Moon · peak 31 Mar

Right now you're likely feeling **emotionally restless and dissatisfied** with your current situation, even when things are objectively fine. You may overcommit yourself or make promises you can't keep because you're chasing something bigger without checking what you actually need. Over the coming weeks, your impatience with small comforts or familiar routines could strain your closest relationships if you're not honest about what's driving this urge to escape.

#### ♄ Chiron ∟ Semi sextile ♄ natal Chiron · peak 1 Mar

You find yourself more willing to talk about things that normally feel difficult or private, and people respond better than you expected. This period brings a quieter kind of confidence where you stop pretending everything is fine and actually **admit what you struggle with**. Small conversations about real problems start to shift how you feel about yourself and what you thought you had to hide.

#### ♅ Uranus △ Trine ♀ natal Venus · peak 1 Mar

Over the coming weeks you are more willing to do things differently in your relationships and social life, and people respond well to this openness. You feel less concerned about what others think, which makes you **more authentic and relaxed** around people you care about. This natural ease draws others toward you and creates space for real connection instead of performing what you think you should be.

#### ♃ Jupiter Rx · ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

## LUNATIONS

---

● New Moon · Wednesday, 9 Mar

in ♋ Pisces

intuitive reset, release, spiritual renewal

in H1 — Self & Identity

A new cycle is opening around your sense of self and how you present to the world. This is the right moment to redefine how you want to be seen and to take deliberate steps toward a fresh start in your personal goals. **Physical changes, new habits, and shifts in your self-image** are all supported now. What you begin under this lunation has a direct impact on your confidence and direction for the next six months.

---

○ Full Moon · Wednesday, 23 Mar

in ♎ Libra

relationship peak, fairness, decision point

in H7 — Partnerships

A significant relationship is reaching a turning point. Something between you and a **partner, collaborator, or significant other** is being fully illuminated — what's been working, what hasn't, and what needs to change. This full moon often brings a relationship decision to the surface: a commitment deepening, a conflict coming to a head, or a partnership reaching its natural conclusion. See clearly what's actually in front of you, not what you've hoped it would become.

#### KEY DATES

---

**Wed, 2 Mar** ♃ Jupiter □ Square ♄ natal Saturn

**Sat, 5 Mar** ♀ Mercury enters ♋ Pisces

*Mercury* in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

**Sun, 6 Mar** ♂ Mars enters ♐ Sagittarius

*Mars* entering *Sagittarius* brings a shift toward **bigger goals and faster action** — people tend to stop sweating small details and push harder for what matters most. In relationships and work, you'll notice more **directness and impatience** with anything that feels like a waste of time, which can speed things up or create friction depending on how bluntly people speak. The practical upside is that **ambitious projects move forward** and people take risks they'd normally avoid, though they may also start more things than they finish during this transit.

**Tue, 8 Mar** ♁ NNode △ Trine ♂ natal Mars

**Wed, 9 Mar** New Moon in Pisces

**Sat, 12 Mar** ♀ Venus enters ♋ Pisces

*Venus* in *Pisces* makes people **softer and more forgiving** in how they treat others, so you might find yourself saying yes to requests you'd normally turn down or letting old arguments go without needing to rehash them. In relationships and work, this transit brings **less direct communication** — people get quieter, drop hints instead of asking straight out, and assume others understand what they want without saying it. *Venus* here also pulls attention toward **feeling appreciated through small gestures** like a text check-in or someone remembering how you take your coffee, rather than big declarations or expensive gifts.

**Sun, 13 Mar** ♂ Uranus \* Sextile ♃ natal Chiron

♄ Saturn △ Trine ♀ natal Venus

**Thu, 17 Mar** ♂ Uranus △ Trine ♄ natal Saturn

**Sun, 20 Mar** ☉ Sun enters ♈ Aries

♄ Uranus \* Sextile ♃ natal Chiron

♃ Chiron \* Sextile ♂ natal Mars

*Sun* in *Aries* brings **direct energy** that makes people more willing to **speak up** and take action without overthinking. At work and in relationships, you'll notice others become **more competitive** and eager to **push forward** with new projects or ideas, sometimes stepping on toes in the rush. This transit typically lasts about four weeks and leaves people feeling **impatient with delays**, so projects that moved slowly before now either speed up or hit friction with people who want faster results.

**Mon, 21 Mar** ♁ NNode △ Trine ♂ natal Mars

**Tue, 22 Mar** ♀ Mercury enters ♈ Aries

*Mercury* in *Aries* makes people **speak more directly** and skip the small talk they normally use. At work or in conversations, you'll notice folks **jump to conclusions faster** and interrupt more often because they want answers now instead of waiting. In practice, this means **quicker decisions** happen in meetings and texts become blunter, which can clear things up fast but also create friction if people aren't ready for that straight talk.

Wed, 23 Mar Full Moon in Libra

Fri, 25 Mar ♄ Saturn stations Retrograde

♄ Saturn △ Trine ♀ natal Venus

*Saturn* stationing retrograde means **delays and reviews become the pattern** for the next few months in work, responsibilities, and long-term plans. When this planet appears to move backward, people commonly experience **slowdowns in projects, contracts, or official processes** — deadlines shift, approvals take longer, and progress feels stuck even when you're putting in effort. The practical shift is to **focus on fixing past mistakes** and tightening up weak spots in your systems rather than pushing hard for new starts during this time.

Sun, 27 Mar ♄ Chiron \* Sextile ♂ natal Mars

Thu, 31 Mar ♁ Lilith ♂ Conjunction ♃ natal NNode

♃ Jupiter ♂ Opposition ♁ natal Moon
