## KEY TRANSIT FACTORS

### ♇ Pluto △ Trine ♂ natal Mars · peak 21 Dec

You're finding it easier right now to **push through obstacles without burning yourself out**, because your determination feels steadier and more controlled than usual. Tasks that normally drain you are moving forward with less internal resistance, and you can tell the difference between real effort and pointless struggle. Over these coming weeks, you'll probably notice you accomplish more while actually feeling less frustrated in the process.

### ♄ Saturn ∠ Semi sextile ♄ natal Chiron · peak 13 Dec

While this lasts, you're able to **turn your old wounds into practical wisdom** without getting stuck in the emotional weight of them. You notice yourself giving better advice to people who are struggling because you can draw on your own difficult experiences without reliving the pain. This period helps you build something solid and useful from what you've learned the hard way.

### ♃ Jupiter △ Trine ♇ natal Pluto · peak 12 Dec

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

### ♄ Saturn ∠ Semi sextile ♄ natal Saturn · peak 11 Dec

You find it easier to stick with practical commitments right now without feeling weighed down by them. **Your natural discipline** shows up when you need it most, whether that's finishing a project or keeping promises to yourself. Over the coming weeks, small progress on something you've been putting off will feel surprisingly manageable.

### ♃ Jupiter △ Trine ☉ natal Sun · peak 29 Dec

Right now you feel **more confident in yourself** and people around you pick up on that shift. You're more likely to speak up in meetings, take on new projects, or ask for what you want without overthinking it. Over the coming weeks, this is a practical time to pitch ideas, apply for opportunities, or have conversations you've been putting off because your natural self-assurance makes people more receptive to you.

### ♃ Jupiter \* Sextile ♆ natal Neptune · peak 14 Dec

Over the coming weeks, you find it easier to **trust your intuition without overthinking**, and this quieter confidence actually helps you make better decisions in practical situations. Your imagination feels less chaotic right now, and you can use creative ideas to solve real problems at work or in your relationships instead of getting lost in them. This is a good window to act on something you've been imagining or planning, because your instincts and your common sense are actually working together.

### ♅ Uranus ♀ Opposition ♃ natal Neptune · peak 31 Dec

Right now you're caught between wanting clarity and being pulled toward wishful thinking, which makes practical decisions feel impossible. Your usual ability to sense what others need starts working against you because you're picking up on mixed signals that may not even be real. Over the coming weeks, you'll need to slow down and write things down instead of trusting your gut, because your instincts are genuinely unreliable at the moment.

### ♅ Uranus △ Trine ♇ natal Pluto · peak 31 Dec

You find yourself **taking practical action on changes you've wanted to make** without getting stuck in overthinking or self-doubt. This period brings a natural confidence that old patterns no longer serve you, so you move forward with less resistance than usual. Over the coming weeks, you're more likely to follow through on those shifts you've been planning instead of just talking about them.

### ♄ Chiron ♁ Quincunx ♇ natal Pluto · peak 31 Dec

You feel pulled between wanting to fix something about yourself and realizing you can't force the change right now. This mismatch shows up as **restlessness in situations where you normally feel in control**, whether at work or in close relationships. Over the coming weeks, the discomfort itself is actually useful—it's pointing you toward a part of your life that needs a different approach than you've been taking.

### ♄ Saturn △ Trine ♂ natal Mars · peak 31 Dec

Right now you're able to **push toward your goals without burning out**, because you have patience alongside your drive. You naturally pace yourself better than usual, finishing projects instead of starting ten new ones. Over the coming weeks, people notice you're reliable and steady, which builds real respect at work and in your personal life.

### ♆ Neptune ♁ Quincunx ♀ natal Venus · peak 31 Dec

Over the coming weeks, you may feel **unsure about what you actually want in your relationships**, making it hard to know if you're genuinely attracted to someone or just imagining the connection. Your romantic or social preferences seem to shift without warning, leaving you confused about your own taste and boundaries. This fog usually lifts once *Neptune* moves on, so avoid making big commitment decisions while this lasts.

### ♄ Saturn ♁ Quincunx ♀ natal Venus · peak 1 Dec

Over the coming weeks, you may feel **awkward or hesitant in relationships** even though you want to be close to someone. Small gestures of affection or attempts to connect might feel clumsy or poorly timed, leaving you wondering if you are doing things right. This is temporary friction between what you want emotionally and what feels practical or safe right now.

### ♄ Chiron ♁ Quincunx ♃ natal Neptune · peak 31 Dec

Right now you are noticing gaps between what you believe about yourself and how you actually behave in stressful moments. You might find yourself **acting more defensively or withdrawn than you expect**, especially when someone questions your motives or judgment. These days the disconnect feels awkward rather than painful, but it is pushing you to pay closer attention to where your ideals do not match your real actions.

### ♆ Neptune ♂ Conjunction ☾ natal Moon · peak 1 Dec

Your emotional responses feel less clear right now, and you may notice yourself reacting to people based on what you imagine they mean rather than what they actually say. This **blurred emotional perception** can make you more compassionate in the moment, but also more likely to misread situations or take things personally that weren't intended that way. Over the coming weeks, check in with people directly about how they feel instead of guessing.

### ♃ Jupiter \* Sextile ♃ natal Jupiter · peak 1 Dec

Right now you're feeling **naturally confident about your abilities**, and opportunities seem to come your way with less effort than usual. You're more likely to say yes to things, take on new projects, or expand something that's already working in your life. Over the coming weeks, this optimism tends to be grounded enough that your decisions pay off rather than lead you astray.

#### KEY DATES

**Tue, 3 Dec** ♃ Jupiter enters ♑ Capricorn

*Jupiter* in *Capricorn* brings a **practical focus to growth**, and you'll notice people around you caring more about real results than big promises. At work and in money matters, there's a shift toward **building slowly and checking progress** — promotions come through steady effort, not sudden luck, and people stop wasting time on schemes that sound good but don't hold up. In relationships and personal goals, **patience and structure** actually start to feel rewarding instead of boring, so this is when people finally follow through on plans they've been putting off.

**Mon, 9 Dec** ☿ Mercury enters ♐ Sagittarius

*Mercury* in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

**Wed, 11 Dec** Full Moon in Gemini

**Thu, 12 Dec** ♃ Jupiter △ Trine ♇ natal Pluto

**Fri, 13 Dec** ♄ Chiron stations Direct

*Chiron* stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

**Sat, 14 Dec** ♃ Jupiter \* Sextile ♆ natal Neptune

**Fri, 20 Dec** ♀ Venus enters ♒ Aquarius

*Venus* in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

**Sat, 21 Dec** ♇ Pluto △ Trine ♂ natal Mars

**Sun, 22 Dec** ☉ Sun enters ♑ Capricorn

♅ Uranus ♂ Opposition ♆ natal Neptune

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Thu, 26 Dec** New Moon in Capricorn

**Sun, 29 Dec** ☿ Mercury enters ♑ Capricorn

♃ Jupiter △ Trine ☉ natal Sun

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Mon, 30 Dec** ♇ Pluto △ Trine ♂ natal Mars

**Tue, 31 Dec** ♅ Uranus ♂ Opposition ♆ natal Neptune

♅ Uranus △ Trine ♇ natal Pluto

♄ Saturn △ Trine ♂ natal Mars
