♁ North Node	in	♌ Leo	8°35'49"	VIII Rx
♁ Lilith	in	♏ Scorpio	8°30'15"	XI

KEY TRANSIT FACTORS

☉ Sun ♂ Conjunction ♂ Mars ★

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☿ Mercury △ Trine ♀ natal Venus

Right now you find it easier to say what you actually mean, and people respond well to your words because you sound genuine and warm. You're naturally bringing up topics you care about without overthinking them, and conversations flow toward connection instead of conflict. This is a good time to have difficult talks with someone close to you, since you can express yourself **thoughtfully and with real affection** at the same time.

♀ Venus ♀ Quincunx ♁ natal Chiron

Right now you notice that **compliments or affection from others feel slightly off or hard to accept**, even when you know they're genuine. You might find yourself over-explaining why someone's kindness doesn't quite apply to you, or wondering if they really mean it. This awkwardness in receiving care tends to fade as the weeks pass, but while it lasts you'll do better by simply saying thank you rather than analyzing why you don't deserve the attention.

♂ Mars ♂ Opposition ♁ natal Chiron

Right now you are **quick to react defensively when anyone points out a weakness or mistake**, and this makes conversations harder instead of easier. Your old insecurities about not being good enough are closer to the surface, so small criticism stings more than usual. Over the coming weeks, you will need to catch yourself before snapping at someone who is only trying to help.

♁ Chiron ♀ Quincunx ☿ natal Mercury

Right now you're noticing that your usual way of explaining yourself isn't landing the way it normally does, and it can feel **awkward to adjust how you communicate on the fly**. *Chiron* transiting at an angle to your natal *Mercury* means your thinking patterns are slightly out of sync with what others expect to hear. Over the coming weeks, patience with yourself during conversations will help more than trying to force clarity.

☾ Moon □ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun △ Trine ♄ Saturn

These days you find it easier to follow through on what you say you will do, and people notice your **reliability**. Work feels less overwhelming because you can break tasks into realistic steps instead of getting stuck in your own way. The practical support is there if you use it — the *Sun* trine *Saturn* makes real effort pay off in real results.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♊ Gemini · Day 18 / 30 · Full Moon

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Friday · ♀ Venus · Venus in Pisces

Friday belongs to Venus — soft pink, rose, or pastel tones attract beauty and harmony. Rose quartz close to the heart enhances warmth and connection throughout the day.
