KEY TRANSIT FACTORS

☉ Sun ☐ Square ♆ natal Neptune ★

Right now you are **harder to pin down** — your priorities shift without warning and you struggle to follow through on what you said you would do. People around you get frustrated because you seem unreliable, when really you are just confused about what you actually want. These weeks are asking you to get clearer about your real goals instead of drifting between vague possibilities.

☉ Sun ∟ Semi sextile ♇ natal Pluto

You find yourself noticing things about yourself that usually stay hidden, and instead of feeling threatened, you feel oddly **clear-headed about your own motivations**. This natural self-awareness means you can make practical changes in your life without drama or resistance. Over the coming weeks, small shifts in how you approach power and control tend to flow easily, leaving you feeling more grounded than before.

♁ Chiron ∟ Semi sextile ♄ natal Saturn

Over the coming weeks, you find it easier to **accept your own limitations without harsh judgment** — what you could not do before feels less like failure and more like simple fact. This practical shift means you stop wasting energy fighting against real constraints and start working within them more skillfully. Your relationships benefit because you become less defensive about your weaknesses and more honest about what you actually need from others.

♀ Venus qx Quincunx ♃ natal Mercury

Right now you may notice that what you want to say doesn't quite match what you actually feel, leaving you **awkwardly uncertain in conversations**. Your usual way of explaining yourself feels clumsy when you are trying to express something that matters emotionally. Over the coming weeks, this gap between thought and feeling tends to smooth out on its own without you having to fix it.

☾ Moon qx Quincunx ♂ natal Mars

Right now your emotional needs and your desire to act are out of step with each other. You might feel frustrated because you want to do something but your mood keeps pulling you in a different direction, or you start projects when you are not actually ready for them. This **awkward mismatch between feeling and doing** tends to fade over the coming weeks, but while it lasts you will work better if you check in with yourself before pushing forward.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

LUNAR DAY

Moon in ♎ Libra · Day 3 / 30 · New Moon

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
