KEY DATE

☉ Sun enters ♐ Sagittarius

Sun in *Sagittarius* tends to make people **more direct and honest** — you'll notice colleagues and friends saying what they actually think instead of holding back. **Restlessness kicks in** at work and in routines, so people often start planning trips, taking on new projects, or pushing back against rules that feel pointless. In relationships and conversations, expect **blunt opinions** and *Sagittarius* energy bringing out your urge to debate, teach, or explore ideas rather than stick to small talk.

KEY TRANSIT FACTORS

☾ Moon △ Trine ♅ natal Uranus ★

You feel more comfortable breaking your own rules right now, and you act on sudden ideas without second-guessing yourself. This **spontaneous confidence** shows up in real conversations and decisions, where you say what you actually think instead of playing it safe. Over the coming weeks, people around you respond well to this directness, and you discover that being yourself is easier than you thought.

♅ Uranus □ Square ☉ natal Sun

Right now you feel restless with routines and rules that normally keep you stable, and you may act on impulses that surprise people who know you well. **You push back against limits** in ways that feel necessary to you but create real friction in your work or relationships. Over the coming weeks this sense of needing to break free will likely intensify before it settles, so expect some temporary disruption as you figure out what actually needs to change.

♇ Pluto □ Square ♁ natal Chiron

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♃ Jupiter * Sextile ♃ natal Jupiter

Right now you're feeling **naturally confident about your abilities**, and opportunities seem to come your way with less effort than usual. You're more likely to say yes to things, take on new projects, or expand something that's already working in your life. Over the coming weeks, this optimism tends to be grounded enough that your decisions pay off rather than lead you astray.

♅ Uranus ♁ Opposition ♆ natal Neptune

Right now you're caught between wanting clarity and being pulled toward wishful thinking, which makes practical decisions feel impossible. Your usual ability to sense what others need starts working against you because you're picking up on mixed signals that may not even be real. Over the coming weeks, you'll need to slow down and write things down instead of trusting your gut, because your instincts are genuinely unreliable at the moment.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☾ Moon ♂ Quincunx ♂ Mars

These days you might feel **restless without knowing why**, like your emotions want something your body isn't ready to deliver. Small tasks feel either pointless or urgent depending on your mood, and you could snap at someone over something that wouldn't normally bother you. The mismatch between what you feel like doing and what actually needs doing right now creates a practical friction that's hard to sit with.
