## KEY TRANSIT FACTORS

### ☾ Moon △ Trine ♂ natal Mars ★

Right now your emotional state and your drive are working together smoothly, which means you feel **motivated without overthinking things**. You're more likely to act on what you want instead of getting stuck in doubt, and people around you pick up on this confident energy. Over the coming weeks, you'll probably find it easier to push through tasks that normally feel like a drag, and to stand up for yourself without it turning into conflict.

### ☉ Sun ∟ Semi sextile ♀ natal Mercury ★

These days you find it easier to **explain your thoughts clearly** without overthinking what you say. People seem to understand your point the first time, and conversations flow naturally because you're not second-guessing yourself. This relaxed confidence with words can help you tackle small communication tasks at work or smooth over minor misunderstandings in your personal life while it lasts.

### ♇ Pluto qx Quincunx ☉ natal Sun ★

These days you feel pulled to change something about yourself or your life, but the direction isn't clear yet. You might notice **restlessness in how you present yourself** to others, or a sense that your usual way of handling things no longer fits. Over the coming weeks, small adjustments to your routine or how you assert yourself will feel more natural than any dramatic overhaul.

### ♀ Venus \* Sextile ♇ natal Pluto

You find yourself **drawn to people and situations with real substance** right now, and you're willing to invest genuine effort into the connections that matter. Others respond to your honesty and directness about what you want, which makes your relationships feel less superficial than usual. This is a good window to have difficult conversations or make commitments you actually mean, because you're both sincere and tactful at the same time.

### ♂ Mars □ Square ☾ natal Moon

Right now you are **more irritable than usual**, especially when someone questions your feelings or tells you to calm down. Your emotional reactions feel faster and stronger, and you may say things in anger that you later regret. Over the coming weeks, watch for moments when you're snapping at people close to you over small things that normally wouldn't bother you.

### ☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

### ☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☾ Semi sextile ♁ NNode

These days you find it easier to **act on what matters to you without overthinking**. Your decisions feel more natural and less forced, so you move forward on things you've been putting off. This period supports practical progress because you're not stuck in doubt or second-guessing yourself.
