KEY TRANSIT FACTORS

♅ Uranus △ Trine ♂ natal Mars ★

These days you feel **willing to try things in new ways** without the usual hesitation that normally holds you back. Your practical actions become more flexible, and you find yourself breaking your own rules in ways that actually work out well. Over the coming weeks this confidence gives you the freedom to pursue goals that once seemed too risky or unconventional.

♇ Pluto ⚡ Quincunx ☉ natal Sun ★

These days you feel pulled to change something about yourself or your life, but the direction isn't clear yet. You might notice **restlessness in how you present yourself** to others, or a sense that your usual way of handling things no longer fits. Over the coming weeks, small adjustments to your routine or how you assert yourself will feel more natural than any dramatic overhaul.

♅ Uranus △ Trine ☉ natal Sun ★

Over the coming weeks, you feel more willing to break your usual routines and try things differently without the anxiety that normally holds you back. You become **spontaneous and experimental** in how you approach your work, relationships, or personal projects, and these changes actually seem to work out well. *Uranus* trine your *Sun* gives you the confidence to be authentic and independent right now, so new opportunities show up when you stop forcing the old way of doing things.

♁ Chiron △ Trine ♃ natal Jupiter

While this lasts, you're more willing to talk about what actually hurt you in the past without getting stuck in blame. Your **practical honesty about your own weak spots** makes people trust you more, and they often open up to you about theirs. Over the coming weeks, this becomes an actual advantage in your relationships and work because you can help others without pretending you have all the answers.

♇ Pluto ♂ Opposition ☿ natal Mercury

Right now you're experiencing **intrusive thoughts and difficulty trusting what you think you know** — conversations feel loaded, and you second-guess your own words before you say them. Your mind is working overtime to find hidden meanings in what others tell you, which can make ordinary exchanges feel exhausting or even paranoid. This period pushes you to examine whether your thinking has become too rigid, but the discomfort of doing so is real and will last several weeks.

☿ Mercury Rx · ♑ Capricorn

Professional communications and career-related decisions are prone to misalignment right now. Contracts, applications, or plans that seemed finalized may need revisiting before they are acted on. The careful checking you do now prevents public errors later.

♃ Jupiter Rx · ♌ Leo

Creative confidence and the desire to be seen or celebrated retreat inward during this period. Projects that were expanding boldly may need a quieter phase of consolidation and honest self-review. Evaluating what you are genuinely proud of versus what requires more work is the most honest use of this time.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun * Sextile ♀ NNode

Right now you find it easier to **say yes to opportunities that feel natural** instead of forcing yourself into situations that do not fit you. People around you notice you are more relaxed about taking small steps forward, and you move with less self-doubt. This period supports you in choosing what actually matches who you are becoming, rather than chasing what you think you should want.
