KEY TRANSIT FACTORS

☾ Moon △ Trine ♁ natal Chiron

Over the coming weeks, you find it easier to talk about things that normally feel difficult or embarrassing. Your **natural openness right now makes it safer to be honest with trusted people** about insecurities or past hurts. This temporary softness in how you approach your own pain means conversations become less defensive and more genuine.

☿ Mercury * Sextile ♄ natal Saturn

Your thinking becomes **clearer and more organized** right now, making it easier to plan projects and solve practical problems. You naturally focus on what actually matters instead of getting distracted, and people notice you're easier to talk to because you explain things well. This is a good time to handle details, write things down, or have conversations about serious topics since your mind and your ability to follow through line up perfectly.

☉ Sun ∟ Semi sextile ♇ natal Pluto

You find yourself noticing things about yourself that usually stay hidden, and instead of feeling threatened, you feel oddly **clear-headed about your own motivations**. This natural self-awareness means you can make practical changes in your life without drama or resistance. Over the coming weeks, small shifts in how you approach power and control tend to flow easily, leaving you feeling more grounded than before.

♁ Lilith ♂ Conjunction ♀ natal Venus

Right now you are more willing to say no to people and situations that do not feel right to you, even if you normally worry about disappointing others. You may notice yourself **rejecting compliments or attention** that feels shallow or that comes with strings attached. These days *Lilith* at your *Venus* is making you pickier about who deserves your time and affection.

☿ Mercury * Sextile ♃ natal Jupiter

Right now your **thinking is clearer and more optimistic**, which makes conversations and learning feel easier than usual. You find yourself explaining your ideas well and picking up new information quickly, whether that's at work, in classes, or just talking with people. These days you're more likely to take practical chances and say yes to opportunities because you actually believe things might work out.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☾ Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

› Moon ☐ Square ♄ Saturn

At the moment, you feel **disconnected from people around you**, even when you are with them. Your emotional needs seem to clash with what is practical or realistic, leaving you frustrated. *Moon* square *Saturn* makes you withdraw when you actually need support most.

LUNAR DAY

Moon in ♍ Virgo · Day 24 / 30 · Last Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
