KEY TRANSIT FACTORS

☿ Mercury ☌ Quincunx ☾ natal Moon ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

☾ Moon △ Trine ♅ natal Uranus ★

You feel more comfortable breaking your own rules right now, and you act on sudden ideas without second-guessing yourself. This **spontaneous confidence** shows up in real conversations and decisions, where you say what you actually think instead of playing it safe. Over the coming weeks, people around you respond well to this directness, and you discover that being yourself is easier than you thought.

♂ Mars △ Trine ☾ natal Moon ★

Right now you're noticing that your **gut feelings guide you toward action without hesitation**, and other people respond well to this directness. What usually takes you weeks to decide feels clear and doable in a matter of days. Over the coming weeks, you'll likely tackle practical tasks and conversations that have been sitting on your to-do list, because your emotional confidence and motivation are running in sync.

♁ Chiron □ Square ♁ natal Chiron

These days you are more aware of where you feel inadequate or defective, and this awareness is uncomfortable rather than helpful. You might find yourself **withdrawing from situations where you could actually contribute** because you are convinced you will fail or disappoint others. This period pushes you to face the difference between your actual limitations and the harsh internal voice that exaggerates them.

☾ Moon ♂ Conjunction ♂ natal Mars

Right now you feel **more direct and impatient** than usual, and you're likely to say what you actually think instead of holding back. Your emotional reactions are faster and stronger, so small frustrations can suddenly feel urgent. Over the coming weeks, this makes you either get things done quickly or start arguments you wouldn't normally pick, depending on what's happening around you.

☿ Mercury Rx · ♄ Capricorn

Professional communications and career-related decisions are prone to misalignment right now. Contracts, applications, or plans that seemed finalized may need revisiting before they are acted on. The careful checking you do now prevents public errors later.

☉ Sun ☾ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun ☿ Quincunx ♅ Uranus

At the moment you feel pulled in two directions without clear reason, and small changes in routine throw you off balance more than usual. Your usual way of doing things no longer feels quite right, but you don't yet see what would work better, which creates **restless dissatisfaction**. These days minor adjustments in your practical life take more energy and patience than they should.

☉ Sun * Sextile ♆ Neptune

Right now you find it easier to **notice what others need without them having to ask**, and people respond well to this attentiveness. Your practical decisions feel less rigid, and you can hold two opposite ideas at once without getting stuck. This period is good for creative work, counseling conversations, or any situation where you need to read between the lines.

LUNAR DAY

Moon in ♋ Pisces · Day 7 / 30 · Waxing Crescent

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
