KEY DATE

☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ☿ natal Mercury ★

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

☾ Moon △ Trine ♂ natal Mars ★

Right now your emotional state and your drive are working together smoothly, which means you feel **motivated without overthinking things**. You're more likely to act on what you want instead of getting stuck in doubt, and people around you pick up on this confident energy. Over the coming weeks, you'll probably find it easier to push through tasks that normally feel like a drag, and to stand up for yourself without it turning into conflict.

♊ NNode ☿ Quincunx ♀ natal Venus

Right now you're noticing a mismatch between what you want in relationships and what actually feels right for you. You might say yes to social invitations or romantic gestures while feeling oddly disconnected from them at the same time. Over the coming weeks, pay attention to what your gut is telling you about your connections, because your head and heart aren't quite lined up.

♂ Mars ★ Sextile ♀ natal Venus

Right now you find it easier to **take initiative in relationships and express what you want** without overthinking or holding back. You feel more confident approaching people socially, whether that means starting conversations, making plans, or letting someone know you are interested in them. This practical confidence tends to smooth things out because you are direct without being aggressive, and people respond well to your straightforward warmth.

☿ Mercury □ Square ☉ natal Sun

Right now you're likely to **second-guess your own opinions** and struggle to communicate what you actually think. People may misunderstand your words or you may find yourself contradicting yourself mid-conversation, which creates friction with others. Over the coming weeks, you'll need to slow down before speaking and accept that getting your point across will take more effort than usual.

♿ Mercury Rx · ♐ Sagittarius

Plans for travel, education, or big-picture goals hit unexpected snags right now. Opinions expressed with too much confidence may need to be walked back, and long-distance communications often get garbled. This is a better period for reviewing beliefs than for broadcasting them.

♂ Mars Rx · ♉ Taurus

Motivation runs slower and more stubborn than usual during this period. Physical energy is inconsistent and the desire to maintain existing routines outweighs any push toward change. Patience with your own pace matters more than forcing output that the body or circumstances are not ready for.

☉ Sun ☌ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ∟ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

☉ Sun ☐ Square ♇ Pluto

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

LUNAR DAY

Moon in ♋ Cancer · Day 19 / 30 · Waning Gibbous

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.
