## KEY DATE

### ♁ Chiron stations Direct

*Chiron* stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

## KEY TRANSIT FACTORS

### ♁ Chiron ☌ Conjunction ☿ natal Mercury

Right now you're noticing gaps in how you explain yourself to others, and conversations feel more awkward than usual. You're becoming **unusually aware of old patterns in the way you think and talk** — like repeated phrases or habits that never quite land. Over the coming weeks, this awareness can help you communicate more clearly if you slow down and listen to yourself first.

### ♅ Uranus ☌ Quincunx ☉ natal Sun

These days you feel out of step with your usual routine, even though nothing obvious has changed. Your instinct is to **shake things up or rebel against your normal habits**, but the timing feels awkward and you are not sure what you actually want to do differently. Over the coming weeks, this restless feeling will likely push you to make small adjustments to how you work or present yourself, rather than the dramatic overhaul your mind keeps suggesting.

### ☉ Sun ☌ Opposition ♁ natal Chiron

Right now you are more aware than usual of where you feel inadequate or broken, and this awareness can make you defensive or irritable with people close to you. You might **push others away just when you need support most**, or pick fights over small things that actually reflect your own self-doubt. This period asks you to notice this pattern without acting on it, but the discomfort will likely stick around for a few weeks while *the Sun* opposes your *Chiron*.

### ☾ Moon ☌ Semi sextile ☾ natal Moon

Your **emotional reactions feel more measured** right now, and you notice yourself handling small frustrations without letting them pile up. People around you respond better because you're not carrying yesterday's mood into today's conversation. Over the coming weeks, this steadier emotional baseline makes it easier to notice what you actually need instead of just reacting to what's in front of you.

### ♆ Neptune ☌ Square ♁ natal NNode

Right now you are **second-guessing decisions you thought were settled**, especially about work or relationships that felt like the right direction. Your usual instinct for what matters to you becomes fuzzy, and you find yourself drawn to options that promise escape or easy answers instead of doing the real work. Over the coming weeks, you will probably feel frustrated by this confusion until you accept that clarity simply takes longer during this period.

## ♿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

### ☉ Sun ☌ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

### ☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

### ☉ Sun \* Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.
