KEY DATE

♂ Mars stations Retrograde

Mars stationing retrograde often brings **delays and restarts** in projects, work deadlines, and physical activities—things that felt urgent suddenly move slower or need reworking. People commonly notice they feel less pushy, more willing to **reconsider decisions** they made before, and sometimes **old conflicts or rivalries** come back up that need settling. In practical terms, this is a good time to **revise plans** rather than launch new ones, fix broken equipment, and handle any pending arguments you've been avoiding.

KEY TRANSIT FACTORS

☉ Sun △ Trine ♁ Uranus ★

Right now you feel comfortable taking risks that normally make you anxious, and **you speak up about ideas you'd usually keep quiet**. Other people seem more receptive to what you have to say, and conversations naturally veer toward what could happen instead of what has always happened. This is a good time to propose changes at work, try something new socially, or make a practical decision you've been putting off.

♂ Mars △ Trine ♆ natal Neptune

These days you find it easier to **act on creative ideas** without getting stuck in doubt or overthinking. Your instinct and intuition are working together, so you can move forward on projects that usually feel too vague or risky. Over the coming weeks, this practical confidence in your imagination can produce real results in art, music, writing, or any work that needs both vision and follow-through.

♁ Chiron qx Quincunx ♃ natal Jupiter

Over the coming weeks, you notice a mismatch between what you want to believe about yourself and what actually works in your life. You find yourself **questioning your usual confidence** or having to adjust your plans when reality doesn't match your expectations. This gap between your hopes and the practical results you're getting will likely push you to make small changes to how you approach problems.

♆ Neptune ♂ Opposition ♁ natal Chiron

Right now you are **avoiding looking at your own vulnerabilities** by escaping into fantasy or wishful thinking about how others see you. This makes it harder to get real feedback or help with the areas where you actually struggle. Over the coming weeks, you may find that people let you down or that your own self-image cracks when reality catches up.

♁ NNode ♂ Conjunction ☾ natal Moon

These days you are drawn to people and situations that feel more emotionally familiar or aligned with who you want to become. You may find yourself **seeking out relationships or groups** that reflect your values more closely, or noticing which connections actually support you. This pull toward authenticity in your social life is likely to last several weeks as the *North Node* activates your *Moon*.

☾ Moon ☐ Square ♀ natal Mars

These days you are **more irritable than usual and quicker to snap at people** over small things. Your emotional state is raw right now, and your usual patience for waiting or compromising has worn thin. Over the coming weeks, you may find yourself picking fights or pushing people away when what you actually need is to slow down and let this restless mood pass.

♂ Mars Rx · ♌ Leo

The desire for recognition and creative output is present but blocked or redirected during this period. Ambitions that felt exciting may feel suddenly hollow, or effortful performance yields less response than expected. Reassessing your goals is more honest and productive now than seeking visible results.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun * Sextile ♄ Chiron

Right now you find it easier to talk about things that usually stay hidden, and people respond by listening instead of dismissing you. Your **willingness to admit weakness** actually makes others trust you more because you seem real. This is a good time to ask for help with something you have been carrying alone, because the practical support tends to show up.
