KEY TRANSIT FACTORS

♂ Mars ☐ Quincunx ♄ natal Chiron

Right now you're more aware of old hurts when someone pushes back against you or challenges your plans. You might notice yourself **reacting defensively to minor criticism** that you'd normally brush off. Over the coming weeks, this clash between your assertiveness and your sensitivity gives you a chance to see where you need better boundaries instead of just withdrawing or fighting back.

☿ Mercury ☐ Square ☿ natal Mercury

Right now your thinking feels scattered and your words come out wrong more often than usual. You second-guess yourself mid-conversation, switch topics without finishing your point, and struggle to explain what you actually mean to people around you. This friction between what you think and what you say creates **misunderstandings at work and home** that frustrate both you and the people listening to you.

♇ Pluto △ Trine ♄ natal Chiron

You find yourself **naturally helping others with their struggles** right now, and people seem to trust you more easily than usual. Your own past difficulties suddenly feel less raw, which frees up your attention to actually listen and support the people around you. Over the coming weeks, this practical compassion becomes one of your strengths rather than something that exhausts you.

☾ Moon ☐ Square ☾ natal Moon

Right now your **moods are harder to predict and manage**, making it difficult to know what you'll feel from one hour to the next. People close to you may seem off or demanding in ways that irritate you more than usual, and you might find yourself defensive instead of open. Over the coming weeks, this restless feeling will push you to notice what you actually need emotionally, even if the process feels uncomfortable.

♆ Neptune ☉ Opposition ♄ natal Chiron

Right now you are **avoiding looking at your own vulnerabilities** by escaping into fantasy or wishful thinking about how others see you. This makes it harder to get real feedback or help with the areas where you actually struggle. Over the coming weeks, you may find that people let you down or that your own self-image cracks when reality catches up.

♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ☌ Conjunction ♁ Lilith

Right now you're more willing to speak up about what you actually want instead of what you think others expect from you. You might notice yourself saying no more often or pushing back against rules that feel unfair. This directness can create friction in some relationships, but it also clears the air by making your real position obvious.

♀ Venus △ Trine ♃ Jupiter

These days you find it easier to enjoy what you have and to say yes to invitations without overthinking them. You notice you are **more generous with compliments and money**, and people respond by being kinder back to you. This natural goodwill between you and others tends to smooth out practical problems, so conversations go better and small conflicts dissolve without effort.

LUNAR DAY

Moon in ♏ Scorpio · Day 28 / 30 · Waning Crescent

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
