## KEY TRANSIT FACTORS

### ♅ Uranus ☾ Opposition ♀ natal Venus

Right now you feel **restless in your closest relationships** and may push away people you normally rely on. You want more freedom or something completely different from what your partner or friends expect, and this clash makes everything feel tense. Over the coming weeks, familiar patterns in how you connect with others will feel uncomfortable, and you might make sudden changes you later question.

### ♂ Mars △ Trine ♄ natal Saturn

Right now you're finding it easier to **follow through on difficult tasks without cutting corners**, because your impatience has natural brakes built in. You have the stamina to do slow, steady work that actually matters, and you don't feel frustrated by the time it takes. Over the coming weeks, people notice you as someone who delivers reliable results instead of making excuses.

### ♃ Jupiter ☾ Opposition ♆ natal Neptune

Right now you are **more likely to overcommit or make promises you cannot keep**, because your sense of what is realistic has become fuzzy. You may find yourself agreeing to things at work or in relationships without thinking through the practical details, then feel frustrated when reality does not match what you imagined. Over the coming weeks, this mismatch between your optimism and what actually needs to happen will force you to get clearer about what you actually want instead of what sounds good in the moment.

### ♂ Mars △ Trine ♃ natal Jupiter

Over the coming weeks, you'll find yourself **willing to take calculated risks** and push forward on projects you've been sitting with. Your confidence and energy are working together right now, so you're more likely to actually do the things you plan instead of just thinking about them. This is a practical window to make moves that require both courage and good judgment, like starting something new at work or tackling a challenge you've been avoiding.

### ♃ Jupiter △ Trine ♇ natal Pluto

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

### ♃ Jupiter Rx · ♊ Gemini

Learning and intellectual expansion turn inward during this period — ideas that felt promising when conceived now require honest evaluation. Information gathered quickly may benefit from slower, deeper processing. Connecting existing knowledge serves you better right now than gathering new material.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ∟ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun \* Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

LUNAR DAY

Moon in ♈ Aries · Day 9 / 30 · First Quarter

**Impatience with delays** rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
